RE: 2016 Property Tax Apportionment and Tax Levy Report

The 2016 Apportionment Report is hereby submitted for your consideration and approval. The report presents an in-depth analysis of millage rates and property taxes levied by the various taxing authorities in the County. The General Property Tax Law requires the County Board of Commissioners to approve the apportionment report at its regular session in October of each year and, upon approval, direct the various taxing authorities in the County to levy the millage rates included in the report against all taxable property located within their boundaries.

The apportionments and millages included in the report give effect to:

1. Application of and compliance with Section 31, Article 9 of the State Constitution of 1963 as required by Section 211.34d of the Michigan Compiled Laws (Headlee Amendment).
2. Public Act 206 of 1893, Section 31(1), (MCLA 211.34(1)), as amended, requiring rollback tax rates when State Tax Commission increases equalized value of the County.
3. Public Act 213 of 1981, which amends Section 211.34, so that a Township or City would be restricted to an operating levy based on local assessed valuation rather than the full levy based on State Equalized Valuation (Truth in Assessing Act).
4. Public Act 5 of 1982, which added Section 211.24e, requiring counties, cities, villages, school districts, townships, etc., that levied more than one mill for operating purposes to hold an advertised public hearing for the purpose of increasing property taxes (Truth in Taxation Act).
5. Public Act 312 of 1993, which amends MCLA 380-1211, so that school districts shall levy not more than 18 mills for school operating purposes or the number of mills levied in 1993 for school operating purposes, whichever is less. Homestead property is exempt from the mills levied under this subsection.
6. Total authorized taxes are shown even though a portion of said taxes may be spread at a time other than the winter levy.

I respectfully request that the Board give consideration to the passage of the following motion:

“We, the Macomb County Board of Commissioners, do hereby approve the tax apportionment and millages as contained within the attached report for the tax year 2016, and order same be entered at large on the County records and that this Board hereby direct that such of the several millages and assessments proposed be levied for the County, Townships, Cities, Schools, highway, drain and all other purposes as shall be authorized by law, and be spread against the equalized values of properties upon the proper townships and cities in accordance with the law.”

Please do not hesitate to contact my office should you have any questions regarding the enclosed information.

RE: SMORSA's Correction of the 2016 Millage Reduction Fraction (MRF)

The following is a list of millage rates that were levied incorrectly in 2016 as a result of the Headlee Millage Reduction Fraction:

Millage <u>Description</u>	Incorrect Millage Rate <u>(1.0000MRF)</u>	Correction Millage Rate <u>(.9953 MRF)</u>	Over <u>Levy</u>
Operating	14.0000	13.9342	0.0658

Pursuant to MCL 211.34d(13), SMORSA has elected to correct the above mentioned over levy of mills on the 2017 Summer tax bill. If you have any questions or need additional information, please contact me at 586-445-3661, x2224.

Sincerely,

Randall Blum  
Finance Director
