A Letter from the Office of the Sheriff

Anthony M. Wickersham
Sheriff

The Macomb County Sheriff's Office is a full service law enforcement and corrections organization whose goal is to protect the citizens of Macomb County. Our mission statement is "Determined to keep your trust, working to keep you safe." The mission is carried out by the 518 men and women who are employed by the Sheriff's Office, as well as over 200 reservists. It is through their hard work and commitment that the Sheriff's Office continues to exceed its goals and expectations of the community.

Our law enforcement component is comprised of highly training Deputy Sheriffs and Dispatchers who handle 911 calls, respond to emergencies and request for services, investigations and prosecute crimes committed in Macomb County. We are the largest E911 dispatch center in Macomb County. Our consolidation of communities continues with increased effectiveness and efficiency. Our office also provides ancillary services in the areas of Auto Theft, Computer Crimes, Narcotics, Fugitive Apprehension and Major Crimes. We continue to use technology to our advantage and keep up to date with the ever changing trends in law enforcement to protect our citizens.

The Sheriff's Office is tasked with Court Security at the Circuit and District Court levels, as well as transporting incarcerated inmates to their court hearings throughout the County. Inmates are also taken to doctor appointments for treatment outside the jail and our court services section picks up prisoners arrested on warrants anywhere in the State. As you can imagine, the men and women in this unit drive thousands of miles a year while maintaining the safety and security of prisoners while on the road.

The Macomb County Jail and related services makes up a major portion of the Sheriffs' Office operation and budget.

The current rated design capacity is 1238 with trained corrections staff securing the facility and taking care of the needs of those incarcerated. A full range of medical, mental health and substance abuse services are provided in house to reduce the movement of prisoners in the community.

A criminal justice analysis and jail feasibility study is currently being completed by hired consultants. Hopefully, we will have solid recommendations on the care of inmates, infrastructure of the Macomb County Jail and forecasting the needs of the Jail for the next 20 years.

Our Annual Report outlines the statistical data we use to help us predict and plan for the future. It also outlines the complexity of the Sheriff's Office and highlights the workload that the men and women of the Sheriff's Office are faced with every day.

I thank each member of the Sheriff's Office for a job well done in keeping Macomb County a safe place to work, live, and play.

A handwritten signature in black ink that reads "Anthony M. Wickersham".

Marine Division

The Marine Division patrols Lake St. Clair, which has been called the busiest freshwater lake in the world. Lake St. Clair covers approximately 85 square miles with 30.5 miles of shoreline connecting to 57 miles of rivers and streams.

The Sheriff's Marine Division is responsible for enforcing Michigan Marine law, investigating boat accidents, conducting livery inspections, conducting search and rescue operations, ice rescues, body recovery and instructing safe boating classes. Working with the assistance of a large number of volunteer Marine Reserve Deputies allows us to meet those responsibilities. The division also works with federal agencies to assist in Border Security.

Marine Division

Boater's Safety Instruction

Marine Division personnel teach the Michigan Boating Basics course through the Macomb County Community Education programs in local schools. The Marine Division instructs more people than any other agency in the state. Last year, deputies issued 5,071 Michigan Boater Safety Certificates to students.

The Macomb County Sheriff's Marine Patrol strives to keep everyone safe on the waterways of Macomb County through education and enforcement.

Dive Team

The Macomb County Sheriffs Underwater Search and Recovery Team was formed approximately 30 years ago. The team is tasked with the recovery of evidence and drowned persons in all 28 cities, townships and villages that comprise Macomb County. All members of the team are certified Public Safety Divers and have extensive training in underwater search and recovery methods.

The USRT also utilizes the latest technology and training to be effective in their recoveries. The use of side scan sonar, underwater remotely operated vehicles, and many other tools allow the team to achieve success in their operations. As new methods and technology come available, the team will explore and implement those procedures.

The USRT was called out several times in 2015 to recover evidence and assist other law enforcement agencies.

Court Security

The Sheriff's Office is responsible for the security of the 16th Circuit Court, County Administration Building, County Building, Clemens Center (state and county probation offices), Probate and Wills/Estate Courts, Juvenile Court and Romeo District Court.

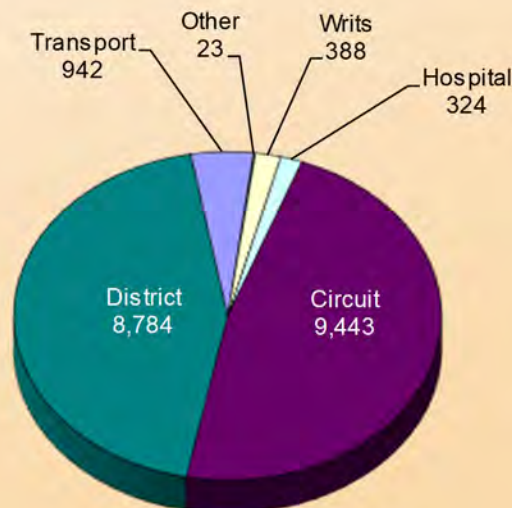

A Deputy Sheriff is assigned to each Judge for their protection, to maintain order in the courtrooms and protect victims, defendants and civilians. Each Deputy is trained in Emergency Responses such as building evacuations, bomb threats, barricaded gunman or hostage situations, first responder to an "active shooter" situation, crowd control and first aid (CPR/AED).

Prisoner Transport

The Sheriff's Office is also responsible for the transporting of in-custody inmates to the District Courts and the 16th Circuit Court for arraignments, trials and sentencing. The Prisoner Transport Deputies also travel throughout the state to pick up court ordered inmates and individuals that have been arrested in other jurisdictions on Macomb County warrants.

Prisoner Transports

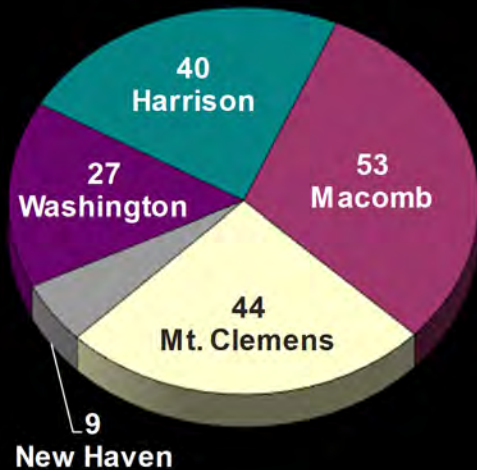

Inmates are also transported for medical treatment including doctor and dentist visits. Nearly 275,000 miles were logged in 2015.

Liquor Control Enforcement

Liquor Licenses

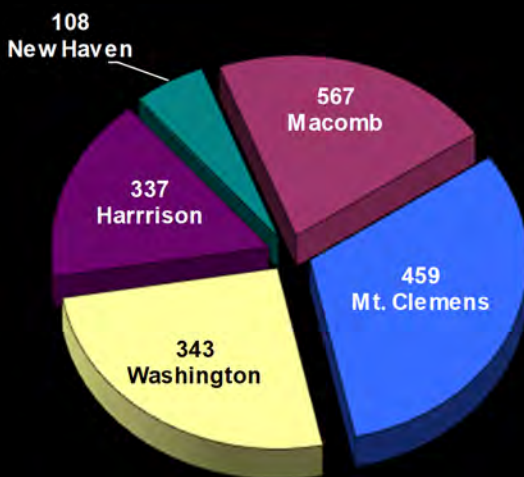

The Michigan Liquor Control Code (PA 58 of 1998) requires that the Sheriff's Office enforce the provisions of the statute and Administrative Rules promulgated under the law.

These responsibilities include liquor inspections, background checks and investigations on new liquor license applicants, as well as one-day liquor licenses for special events. Random monthly liquor inspections are conducted in our contracted areas. A total of 1,814 liquor inspections were completed in 2015.

In addition to LCC Inspections, Sheriff's Office personnel enforce the rules and regulations of the Michigan Liquor Control Commission by targeting the illegal sale and consumption of alcohol to minors.

Business establishments selling alcohol to minors are issued citations which are forwarded to the MLCC for sanctions against the licensee and business.

Liquor Inspections Per Venue - 2015

Warning to Minors

It is a misdemeanor for a minor to ATTEMPT to purchase alcoholic liquor.

If you try using false identification you may be guilty of another misdemeanor.

Your driver's license could be suspended.

We may call the Sheriff if you try to buy.

Detective Bureau

The Detective Bureau conducts investigations for the following communities: Armada, Bruce, Harrison, Lenox, Macomb, Mt. Clemens, Village of New Haven, Ray, Richmond Township and Washington Township. The Bureau consists of trained detectives who investigate the full range of criminal complaints.

The Detective Bureau handled 3,474 investigations in 2015 from the beginning through the court proceedings.

The Detective Bureau also monitors Sexual Offenders Registration (SOR) for violators. In 2015, over 300 sex offenders were monitored. On a quarterly basis, deputies physically check the listed address of sex offenders in an attempt to verify their place of residence. Two benefits to this type of proactive enforcement are that it allows Sheriff's Office to verify the offender's actual place of residence and it lets the offender know that the Sheriff's Office is actively tracking their movement and may prevent future fraudulent use of addresses by sex offenders.

In 2015, 4,250 Concealed Pistol License (CPL) permits were issued, a 20.5% decrease from 2014. Of which 230 permits were revoked, suspended or denied.
