## *A Letter from the Office of the Sheriff*

***Anthony M. Wickersham  
Sheriff***

Over the past 33 years that I have been employed by the Macomb County Sheriff's Office, many changes have occurred, but one thing has stayed constant, the dedication, professionalism, and willingness to help others that the men and women of the Sheriff's Office display every day. I am proud to be Sheriff and lead the (561) professionals that are employed here. Our mission statement "Determined to keep your trust, working to keep you safe" is our core value that we follow when protecting our citizens, neighborhoods, businesses and inmates incarcerated each day.

The care and custody of inmates remanded to the Macomb County Jail is a main focus and the largest operation within the Sheriff's Office. Our annual report outlines yearly data involving booking programs, transportation, meals, and health care provided to those who are incarcerated at MCJ. Our facility is old, outdated and in need of replacement. Three years ago we began a study into the criminal justice system, operations, physical plant and the overall safety of the Macomb County Jail. We moved forward with recommendations from the study, and have been advised that a new county jail should be constructed. In 2019, the Macomb County Board of Commissioners approved the project for a new jail, and will be asking voters in Macomb County if they are willing to approve a millage for construction and operations cost in the 2020 elections. The new facility will move to a Direct Supervision model while supervising prisoners and provide adequate housing and services for those inmates with mental health and medical issues. We will wait and see what the voters decide in 2020.

The Law Enforcement section continues to expand with additional Deputies being hired in our contracted communities. Our 911 Dispatch Center has added full service dispatch to several Fire Departments, in areas law enforcement services are provided by MCSO. Our Special Units continue to perform at an exemplary level. They continue to train and keep current with issues, laws, and tactics that are ever changing in our profession.

The Sheriff's Office is tasked with Court Security at the Circuit and District Court levels, as well as transporting incarcerated inmates to their court hearings throughout the County. Inmates are also taken to doctor appointments for treatment outside the jail and our court services section picks up prisoners arrested on warrants anywhere in the State. As you can imagine, the men and women in this unit drive thousands of miles a year while maintaining the safety and security of prisoners while on the road.

This Annual Report details our official statistical data and budgetary information to help us plan for the future, deploy our resources where they are needed, and most importantly be transparent to the public in all aspects of the Macomb County Sheriff's Office operations.

I thank each member of the Sheriff's Office for a job well done in keeping Macomb County safe.

# Celebrating 200 Years

In 2018, Macomb County celebrated its 200th anniversary. In celebration of this event, special bicentennial badges could be worn. Since 1818, there have been 52 Sheriff's of Macomb County.

The current jail was constructed in 1954, with lockers in the basement for the Sheriff's 43 Deputies. The cell blocks contained 12 dormitory-style cells, which would sleep as many as 12 prisoners, with nearly two dozen segregated cells for hardened criminals. There were two small apartments provided; one for the Sheriff and one for the matron.

# Celebrating 200 Years

The jail capacity today is 1201. The original 12 dormitory-style cells are still in use as the current D blocks. Additional units that have been added through the years include minimum and maximum security, medical and mental health units, a specific area for booking, and a jail tower for general population. This 12 story jail tower is what is most recognizable to the public passing by and houses the majority of the inmate population.

Staffing levels have also increased with the continuously growing population in Macomb County. The original number of 43 deputies is now 214 sworn deputies, 161 corrections deputies, 56 dispatch, 64 command staff and numerous additional positions bringing the current staffing number to 537 employees.

In 1818, the Sheriff and his 43 deputies were the law enforcers for all the county. Today, our Sheriff's Office holds police service contracts with six communities including the townships of Harrison, Lenox, Macomb, and Washington, the city of Mt. Clemens and the Village of New Haven. Many municipalities have formed their own law enforcement agencies. The Sheriff's Office supports all of those agencies and the local courts within the county.

The Sheriff's Office has formed many specialized units over the past 200 years including traffic, training, K-9, and specialized investigative units including auto theft, narcotics, and computer crimes. The Sheriff's Office also has a SWAT Team, Undercover Team, and a Marine Division including almost 80 reserve officers. The Sheriff's deputies work alongside all of the jurisdictions in the county to serve the citizens of Macomb County.

# Jail Operations

# Jail Operations

The Macomb County Jail is staffed by Deputies, Command Officers and support staff. These individuals are responsible for the care and custody of all prisoners, the well-being of staff, and maintaining security and order within the jail facility.

All courts through their Jail Bed Allocation plan and alternative sentencing assist in keeping the jail population below the design capacity. The jail's Rated Design Capacity is 1,242.

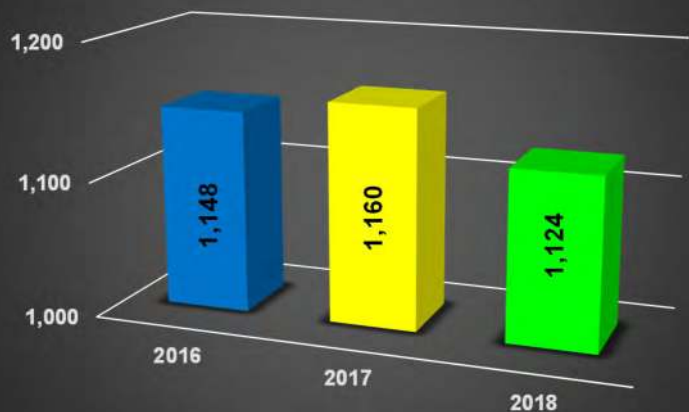

In 2018, a total of 16,769 new prisoners were booked into this facility. That number consisted of 12,657 males and 4,112 females. Of those booked, 39% were felony charges and 46% were misdemeanor charges and 15% were non public or miscellaneous. There were 16,876 inmates released during 2018.

They also handled \$1,582,667 in bond monies and collected \$2,610 in warrant collection fees.

The **Inmate Locator** application is available to the public allowing you to check on inmate status, bond information, and visiting information. It is accessible through the internet at the MacombSheriff.com website.

**Video Visitation** by ICSolutions is an innovative solution that provides an alternative to traditional, face-to-face inmate visitation in the Macomb County Jail.

Video visitation sessions provide added value and security to our facility by removing the necessity to transport inmates for traditional onsite visitations and allows friends and family members to conduct onsite visits from a kiosk in our jail's annex as well as offsite video visitation sessions from the comfort of the visitor's home using a personal computer or laptop.

Non-violent offenders are placed into community sanctions, rather than in jail or prison, to allow for corrections space for more serious offenders. Rehabilitative and monitoring options include substance abuse inpatient and outpatient treatment, monitoring services, substance use testing, community service work, cognitive programming and pre-trial release supervision.

## **Mission Statement**

*Macomb County Community Corrections mission is to provide effective, local, community-based alternatives to incarceration that promote public safety, hold offenders accountable, and improve their ability to live lawfully and productively in the community.*

# Mental Health Diversion

This diversion program is run by the Macomb County Community Mental Health Department and identifies Macomb County residents in jail, or out on bond, who have mental health problems.

The intent of this program is to link offenders with services and support outside of the jail to ensure that all aspects of their mental health treatment are being met.

# Honor Guard

The Honor Guard's mission is to enhance the professional image of the Macomb County Sheriff's Office, and the County of Macomb. The unit's first priority is to honor and pay respects to fallen Officers and their families. Every year they have continued to honor our own fallen officers by participating in wreath laying ceremonies honoring their sacrifice for their communities.

The 19 Honor Guard members dedicate their personal time to attend funerals and memorial services for our Brothers and Sisters in Law Enforcement, Fire Services and EMS that have lost their lives protecting and serving our citizens and our communities.

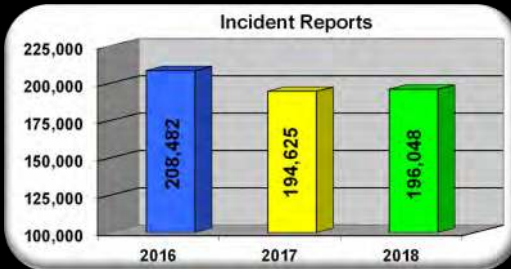

In 2018, the Honor Guard completed 25 details including National Law Enforcement Memorial Week held every May in Washington D.C. Several members participated in the Police Unity Tour 300 mile bicycle ride and others participated in the Motor Unit portion of the tour which includes traffic control and escort for the entire unity tour.

All of the financial support has come solely from Honor Guard members, fundraising, and donations we receive from citizens.

# Dispatch Center

Macomb County Sheriff's dispatchers provide dispatch services for law enforcement, emergency medical services and fire emergencies. These calls include 911 emergency calls, crimes in progress, traffic issues as well as general assistance to citizens in the community. The dispatch center also provides dispatching services to coordinate multi-jurisdictional efforts among various agencies in the county.

Dispatch services are provided for twelve communities, eleven fire departments and one emergency medical service. In 2018 dispatchers handled 342,751 total calls.

In 2018, the Macomb County Sheriff's Office added Rapid SOS as a technology tool for Dispatch. Rapid SOS is advanced emergency technology that provides a bridge between mobile phone calls to 911 and dispatch centers. This provides very accurate caller location that is great for hang ups and abandoned calls as well. Rapid SOS has partnered with Apple's Operating System IOS 12, Android 4 or higher, Google, Uber and Waze, to provide a 4 meter location accuracy. Within seconds it provides dispatchers the current location and movements of a caller on CAD mapping. Rapid SOS has integrated with Smart 911 (obtained in 2017) that provides this information to dispatchers.

Dispatch consoles were added at the Dispatch Center and in the Warren Police Department Dispatch. We are now the Backup Dispatch Center for each other.

In 2018, the Traffic Bureau was made up of (4) Deputies and (1) Sergeant.

Deputy responsibilities include investigating motor vehicle crashes, motor carrier enforcement, traffic enforcement in problem areas, special event details, child seat inspections, dignitary protection, occasional speaking events and enforcing traffic laws throughout the county.

Sergeant responsibilities include scheduling, collecting traffic statistics, radar trailer deployment, tracking vehicles and traffic equipment. The Sergeant also attends numerous seminars, traffic related meetings with various organizations as well as managing and applying for all grants.

This year, Macomb County secured \$186,000 in state grant monies from the Office of highway Safety Planning compared to \$185,000 in 2017. This money was used for seatbelt enforcement, impaired driving enforcement, speeding enforcement, red light enforcement and distracted driving enforcement campaigns throughout the year.

During 2018, our agency processed approximately 3,150 vehicles of which 300 went to auction. Every vehicle abandoned or towed by sheriff personnel and not redeemed by the vehicle owner is processed by a certified deputy. In addition, 4 salvage vehicle inspections for residents of our contracted patrol areas were conducted.

In 2018, approximately 18 school bus violations were issued and 10 child seat inspections were performed.

# Marine Division

The Macomb County Sheriff's Marine Patrol strives to keep everyone safe on the waterways of Macomb County through education and enforcement.

The Marine Division patrols Lake St. Clair, which has been called the busiest freshwater lake in the world. Lake St. Clair covers approximately 85 square miles with 30.5 miles of shoreline connecting to 57 miles of rivers and streams.

The Marine Division teaches the state approved boater's safety course "Boat Michigan – a course on responsible boating". During the winter months our deputies are primarily in the seventh grade classes, teaching boaters' safety at both public and private schools. Our marine reservists teach the same classes in the evenings to adult learners. In 2018, the Marine Division instructed 5,019 students on boating safety. Macomb County leads the state in the amount of boating safety students we teach every year.

### ***Dive Team***

The Macomb County Sheriff's Underwater Search and Recovery Team (MCSO USRT) is tasked with the recovery of evidence and persons. The team is comprised of 11 members. The Macomb County Sheriff's Office Underwater Search and Recovery Team is one of only two Dive Teams in Macomb County. Macomb County Sheriff's (USRT) is the only active member in Urban Areas Security Initiative (UASI).

The MCSO USRT trains once a month in several different types of environments: swift current, heavy vegetation, black-out, and ice.

The MCSO USRT was called out twice in 2018. These call outs were to assist other agencies, one for the recovery of an object and the second for the recovery of a body. On both occasions, the operations were successful. MCSO USRT strives to continue with this success rate.

# Liquor Control Enforcement

## Liquor Licenses

## Liquor Inspections Per Venue

The Macomb County Sheriff's Office, under the authority of PA 58 of 1998, enforces the provisions of the statute of the Michigan Liquor Control Code. The responsibilities granted to the sheriff include:

- 1) Inspections of licensed establishments.
- 2) Conducting criminal background checks on all new and transfer liquor license applications.
- 3) Ensuring that the building housing the licensed establishment meets local code.
- 4) Granting special one-day liquor licenses.
- 5) Conducting investigation at licensed establishments targeting the sale and consumption of alcoholic beverages by minors.

As part of the duties for officers assigned to contracted areas, deputies conduct inspections of licensed liquor establishments. These inspections, which occur continuously throughout the year, verify that the licensees are operating within the guidelines established by the Liquor Control Commission.

The Sheriff's Office receives requests by the Liquor Control Commission to investigate complaints that are filed directly with the L.C.C. Many of these complaints involve a suspension or the placing "in escrow" of a liquor license due to lack of, or proper documentation (insurance certificates), or the temporary suspension due to the seasonal nature of the business by the licensee. These complaints are received, investigated and processed through the Sheriff's Office.

### Warning to Minors

A minor shall not purchase or attempt to purchase alcoholic liquor, consume or attempt to consume alcoholic liquor, possess or attempt to possess alcoholic liquor, or have any bodily alcohol content. A minor who violates this law is responsible for a state civil infraction upon the first offense. A second offense raises the penalty to a misdemeanor. MCL 436.1703

We have also expanded our instructor cadre for our Ti Labs Video Training Simulator which allows us to use video training scenarios to better

train deputies in use of force, judgement, and physical skills. Adding additional instructors allowed our deputies to see over 1100 different situations and react to them without having to learn in real life situations. This enabled us to be better prepared and handle situations appropriately.
