16 Year Old Charged with Threat of Terrorism

Mount Clemens, MI - On Thursday, April 13, 2023 the Macomb County Prosecutor's Office authorized a petition and charged a 16 year old in connection with a school threat at Eisenhower High School.

It is alleged that on Friday, March 24, 2023 the juvenile downloaded a photo of an individual holding a gun and added a threatening phrase to the photo. The juvenile then air-dropped the photo with the phrase to fellow students during lunch.

The juvenile is charged with Threat of Terrorism (20 Year Felony) and Using a Computer to Commit a Crime (20 Year Felony.) The juvenile's pretrial hearing has not been scheduled yet.

"Threats to a school, faculty, or students will be charged by my office. We have a zero tolerance policy in Macomb County. Faculty and students should not be scared to go to school. This nonsense needs to stop," said Macomb County Prosecutor Peter J. Lucido.

The Macomb County Prosecutor's office represents the people. We are committed to achieving justice and following the laws of the State of Michigan. All that are accused of a crime are presumed innocent until proven guilty in a court of law.
