Frozen fish allegedly used to commit an assault

Mount Clemens, MI - On Sunday, April 2, 2023, Warren Police hooked and netted a suspect in connection with an altercation at a local fish counter.

It is alleged that the suspect approached the fish counter at Desi Fruit Market on Nine Mile Rd around 7:13 pm. The fish counter clerk explained that the fish counter closed at 7:00 pm due to the Ramadan holiday. The suspect became angry and argued with the clerk. The suspect then allegedly assaulted the clerk on the head with a four pound frozen hilsa fish. The victim was transported to the hospital. Desi Fruit Market offers fresh fruit, vegetables and fish. The hilsa fish is a kind of herring.

MD Jobul Hussain was charged with one count of aggravated assault (one-year misdemeanor.) He was arraigned in Warren District Court and given a \$5,000 personal bond on April 3, 2023. The next court date has not been scheduled.

“I never thought I’d have to say this, but if you assault someone with a fish in our county you will be prosecuted. A frozen fish is dangerous if you use it to hit someone on the head,” said Macomb County Prosecutor Peter J. Lucido.

The Macomb County Prosecutor’s Office represents the people. We are committed to achieving justice and following the laws of the State of Michigan. All that are accused of a crime are presumed innocent until proven guilty in a court of law.
