An adjourned meeting of the Intra-County Drainage Board for the **STERLING RELIEF DRAIN** was held in the Office of the Macomb County Public Works Commissioner, 21777 Dunham Clinton Township, Michigan, on August 14, 2023, at 10:18 A.M.

PRESENT: Candice S. Miller, Chair  
Joseph Romano, Member  
Vince Viviano, Member

ALSO PRESENT: Daniel Acciavatti, Deputy of Government Relations; Vince Astorino, Operations & Flow Manager; Brian Baker, Chief Deputy; Jeff Bednar, Environmental Resources Manager; Steve Downing, Construction & Maintenance Manager; Norb Franz, Communications Manager; Jennifer Jozwiak, Drain Account Specialist; Bruce Manning, Financial Manager; Pamela Sonnenberg, Administrative Assistant; Tom Stockel, Construction Supervisor; Don VanSyckel, Macomb County Board of Commissioners

PRESENT VIA TELECONFERENCE: Danielle Devlin, Environmental Specialist; Bonnie Rau, City of Sterling Heights DPW

The meeting was called to order by the Chair, Candice Miller. A motion was made by Mr. Romano, supported by Mr. Viviano to approve the agenda as presented.

Adopted: YEAS: 3  
NAYS: 0

Minutes of the meeting of April 10, 2023, were presented. A motion was made by Mr. Romano, supported by Mr. Viviano to approve the minutes as presented.

Adopted: YEAS: 3  
NAYS: 0

The meeting was opened to public participation, then closed, there being no comments from the public.

Mr. Bednar updated on the Sterling Relief Green Infrastructure Establishment project and tree installation. He presented photos and remarked how beautifully it is flourishing with wildflowers and serves as a refuge for butterflies and wildlife. This means that we have a good root system working and it acts as a great storm water filter. We had an opportunity to acquire 20 trees through Green Macomb, which helped replace some of the trees that did not survive the initial planting. Staff was joined by DNR community forester Lawrence Sobson, who shared tips and suggestions for the ongoing health and maintenance of the existing and newly planted trees.

The final two treatments was applied to the western 0.8 miles of the Sterling Relief Drain before the USFWS contractor installed native prairie grasses and wildflower seeds. Some sprout will be evident before the end of this growing season, but most will pop up next spring and then establish over the next two to three years.

We have applied for the Sustain Our Great Lakes grant but have not received notification of award. They say that the grant period is supposed to start September 1<sup>st</sup>, and since we are in mid-August, we should hear something soon if it has been awarded to us. The total project is \$887,250, and the grant is \$415,500, and the match from the drain is \$50,000.

He then presented photos of the butterflies, wildflowers, and fence repairs on the Sterling Relief.

A motion to receive and file the Project Updates given by Mr. Bednar was made by Mr. Romano and supported by Mr. Viviano.

Mr. Baker presented on a reassignment of the existing lease for a parking lot over the Sterling Relief. GLS Automotive is in discussion with Comcast for the purchase of their site on Van Dyke. The original terms of the agreement state that the tenant (Comcast) shall have the right to transfer, assign, and convey all of the tenant's right and interest in the lease with the landlord's (drainage district's) consent, which consent shall not be unreasonably withheld. We also added verbiage that if the City was interested in putting a trail along that property, that GLS would do their best to accommodate that. Mr. Baker and Mr. Bednar had a meeting with them last week to review their site plan. The lease is up to approximately \$52,000 a year and funds the Sterling Relief.

A motion was made by Mr. Romano, supported by Ms. Miller (Mr. Viviano stepped out briefly) to receive and file the Parking Lot Lease Reassignment.

Adopted: YEAS: 2  
NAYS: 0

The Chair presented the invoices totaling \$19,558.03 to the board for review and approval.

A motion was made by Mr. Romano, supported by Mr. Viviano to approve the invoices as presented.

Adopted: YEAS: 3  
NAYS: 0

A motion to receive and file the financial report given by Mr. Manning was made by Mr. Romano and supported by Mr. Viviano.

Adopted: YEAS: 3  
NAYS: 0

There being no further business, it was moved by Mr. Romano, supported by Mr. Viviano, that the meeting of the Sterling Relief Drain Board be adjourned.

Adopted: YEAS: 3  
NAYS: 0

The meeting was adjourned at 10:46 A.M.

# THE STERLING RELIEF AND RED RUN DRAIN HABITAT RESTORATION AND TRAIL CONNECTOR PROJECT

The Sterling Relief and Red Run Drain Habitat Restoration and Trail Connector Project incorporated green infrastructure to stabilize the banks, reduce erosion and create habitat. Due to the flashiness, the water flows, velocity, and high-water elevation can change quickly. The project protects a closed landfill while managing channel-forming flows and providing protection from the fluctuation of flows.

Green infrastructure components included:

- Constructing three J-Hooks
  - Lengths: 163 feet, 169 feet, and 188 feet
  - Height: 9 ft average
  - Comprised of ±3,500 tons of stone
- Shoaling Removal
- Placement of ±1,400 feet of stone toe revetment

Habitat corridors increase habitat complexity and biodiversity, providing a connection between new and existing habitat corridors and offering a beneficial habitat for native pollinators.

- 475 trees planted.
- 2,500 shrubs planted.
- 4,000 native pollinator plugs planted.
- Over 19 acres of habitat created with native seed mixes

The Commissioners seized the opportunity to imagine the construction access drive as a multi-use trail for walkers and bicyclists. The project created a 1.35-mile-long non-motorized railway providing ease of future maintenance, environmental restoration, and attractive recreational opportunities.

2024 AWARDS

Re: SOGL Grant Agreement for Sterling Relief Daylighting and Green Infrastructure Project Phase 2

The National Fish and Wildlife Foundation (NFWF) has awarded \$415,500 in grant funds under the Sustain Our Great Lakes program (SOGL) in response to a grant application submitted for Phase 2 of the Sterling Relief Daylighting and Green Infrastructure Retrofit Project. To obtain the grant funding and begin accumulating staff match time, the attached agreement must be executed.

This second phase of the project continues the redesign and retrofit of the Sterling Relief Drain corridor by creating an additional 1.5 miles of diverse native habitat from the upstream end of the drain at Nelson Park to west of Mound Road. This created habitat will help to reduce, slow and filter stormwater from the 1,610 acre drainshed served by this section of drain. This project adds to the 2.5 miles of drain retrofit completed in 2020 east of Van Dyke Avenue. The project is estimated to cost \$887,250 with \$415,500 of that provided by the SOGL grant award. The performance period runs to June 30, 2026.

The project proposal includes an 8,000 lf paved maintenance path. Sterling Heights officials indicated the trail would serve the city's recreation needs by providing a paved recreation trail connector from Nelson Park to Ryan Road. Grant funds can pay for a portion of the estimated cost of the trail. Remaining funds spent on the trail by Sterling Heights can be used as match towards the project.

Other sources of match include cash and in-kind services from MCPWO and MCPED, trees and native plant material from a Consumer's Energy Planet Award, prairie restoration from US Fish & Wildlife Service and cash from the Sterling Relief Drain Drainage Board who pledged \$50,000 towards the project at their April 10, 2023, meeting.

Upon execution of the agreement, staff will begin preparing project documents such as NEPA federal compliance forms, bid specifications for design and an updated project schedule. We are looking to award design this spring and award for construction by fall 2024.

### **1.1. Amendments.**

During the life of the Project, the NFWF Subrecipient is required to immediately inform in writing the NFWF Grants Administrator of any changes in contact information, Key Personnel, scope of work, indirect cost rate, as well as any difficulties in completing the performance goals articulated in the Project description. NFWF Subrecipients must request an amendment from NFWF upon determination of a deviation from the original Grant Agreement as soon as such deviation is detected. NFWF reserves the right to approve, deny and/or negotiate any such request. Alternatively, NFWF may initiate an amendment if NFWF determines an amendment is necessary at any time. Amendment requests are to be submitted via NFWF's grants management system.

#### **1.1.1. Budget Amendment Request.**

If the NFWF Subrecipient determines that: 1) the amount of the budget is going to change in any one direct cost category by an amount that exceeds 10% of the Award, or 2) there is a need to increase indirect costs, the NFWF Subrecipient must seek prior written approval via an amendment request in NFWF's grants management system.

#### **1.1.2. Extension of Performance Period.**

If additional time is needed to complete the approved Project, the NFWF Subrecipient should contact the NFWF Grants Administrator at least 45 calendar days prior to the project period expiration date to initiate the no-cost extension request process in NFWF's grants management system. In addition, if there are overdue reports required, the NFWF Subrecipient must ensure that they are submitted along with or prior to submitting the no-cost extension request.

### **1.2. Matching Contributions.**

Matching Contributions consist of cash, contributed goods and services, volunteer hours, and/or property raised and spent for the Project. Matching Contributions for the purposes of this Project must meet the following criteria: (1) Are verifiable from the NFWF Subrecipient's records; (2) Are not included as contributions for any other federal award; (3) Are necessary and reasonable for the accomplishment of project or program objectives; (4) Are allowable under OMB Cost Principles; (5) Are not paid by the U.S. Government under another federal award except where the federal statute authorizing a program specifically provides that federal funds made available for such program can be applied to matching or cost sharing requirements of other federal programs when authorized by federal statute; (6) Are provided for in the approved budget when required by the federal awarding agency; (7) Are committed directly to the project and must be used within the period of performance as identified in this Agreement; (8) Otherwise conform to the law; and, (9) Are in compliance with the requirements of Section 3.3 of this Agreement concerning Compliance with Laws.

The NFWF Subrecipient must report match progress in Payment Requests and Financial Reports.

### **1.2.2. Assessing Fair Market Value.**

Fair market value of donated goods, services and property, including volunteer hours, shall be computed as outlined in §200.306 of 2 CFR Subtitle A, Chapter II, Part 200, Uniform Administrative Requirements, Cost Principles, and Audit Requirements for Federal Awards, (hereinafter “OMB Uniform Guidance”), regardless of whether this Agreement is federally funded.

The NFWF Subrecipient must enter a justification when there is a difference between the amount disbursed by NFWF and the amount expended by the grantee. Failure to submit an annual financial report in a timely manner will delay payment of submitted payment requests.

### **1.4.4. Final Reports.**

Based on the reporting schedule in Line 21 of the Cover Sheet to this Agreement, the NFWF Subrecipient will submit (1) a Final Financial Report accounting for all Project funds received, Project expenditures, and budget variances (if any) compared to the approved budget; (2) a Final Programmatic Report summarizing and documenting the accomplishments and metric values achieved during the Period of Performance; (3) copies of any publications, press releases and other appropriate products resulting from the Project; and (4) photographs as described in Section 1.4.3.1 below. By uploading photographs to NFWF's grants management system the NFWF Subrecipient certifies that the photographs are unencumbered and that NFWF and Project Funders have a fully paid up non-exclusive, royalty-free, irrevocable, perpetual, worldwide license for posting of Final Reports and for any other purposes that NFWF or the Project Funder determines appropriate.

#### **1.4.5. Significant Developments.**

The NFWF Subrecipient shall report on events that may occur between the scheduled performance reporting dates that have a significant impact on the Project. Such reporting shall be made as soon as the following conditions become known:

**1.4.5.1.** Problems, delays, or adverse conditions which will materially impair the ability to meet the Project objective, including but not limited to the objective itself, its schedule and/or the budget. This disclosure must include a statement of the action taken, or contemplated, and any assistance needed to resolve the matter; and/or,

**1.4.5.2.** Favorable developments which enable meeting time schedules and objectives sooner or at less cost than anticipated or produce more or different beneficial results than originally planned.

#### **1.5. Reports and Payment Requests.**

All reports, financial, programmatic, or otherwise, or payment requests under a federal award must be submitted by a representative of the NFWF Subrecipient who has the NFWF Subrecipient's full authority to render such reports and requests for payment and to provide required certifications as set forth in 2 CFR 200.415, as applicable.

As funding source end dates may be extended over time, the NFWF Subrecipient will be notified of the most up-to-date record retention requirements upon closure of this Award. If any litigation, claim, or audit is started (irrespective of the NFWF Subrecipient's involvement in such matter) before the expiration of the 3-year period, the records shall be retained until all litigation, claims or audit findings or pending matters involving the records have been resolved and final action taken. NFWF shall notify NFWF Subrecipient if any such litigation, claim or audit takes place or if funding source end date(s) is extended so as to extend the retention period. Records for real property and equipment acquired with federal funds must be retained for at least three (3) years following disposition of such real property. For awards solely funded with funding sources with "N/A" listed as the end date, NFWF Subrecipient shall maintain all records connected with this Agreement

If the NFWF Subrecipient's SAM registration expires during the required period, NFWF will suspend payment to the NFWF Subrecipient until the SAM registration is updated.

## **2.11. Arbitration.**

All claims, disputes, and other matters in question arising out of, or relating to this Agreement, its interpretation or breach, shall be decided through arbitration by a person or persons mutually acceptable to both NFWF and the NFWF Subrecipient. Notice of the demand for arbitration shall be made within a reasonable time, not to exceed three years, after the claim, dispute, or other matter in question has arisen. The award rendered by the arbitrator or arbitrators shall be final. The terms of this provision will survive termination of this Agreement.

## **2.12. Indemnity.**

The NFWF Subrecipient shall indemnify and hold harmless NFWF, any Funding Source identified in this Grant Agreement, their respective officers, directors, agents, and employees in respect of any and all claims, injuries, losses, diminution in value, damages, liabilities, whether or not currently due, and expenses including without limitation, settlement costs and any legal or other expenses for investigating or defending any actions or threatened actions or liabilities arising from or in connection with the Project. By entering into this Agreement, the NFWF Subrecipient agrees to submit to the exclusive jurisdiction of the courts of the District of Columbia. The terms of this provision will survive termination of this Agreement.

## **2.15. Stop Work.**

NFWF may, at any time, by written order to the NFWF Subrecipient, require the NFWF Subrecipient to stop all, or any part, of the work called for by this Agreement for a period of 90 days after the order is delivered to the NFWF Subrecipient. The order shall be specifically identified as a stop-work order issued under this section. Upon receipt of the order, the NFWF Subrecipient shall immediately comply with its terms and take all reasonable steps to minimize the incurrence of costs allocable to this Agreement covered by the order during the period of work stoppage. Within a period of 90 calendar days after a stop-work order is delivered to the NFWF Subrecipient, or within any extension of that period to which the parties shall have agreed, NFWF shall either cancel the stop-work order or terminate the Agreement under section 2.16.

## **2.16. Termination.**

**2.16.1.** Upon the occurrence of any of the following enumerated circumstances, NFWF may terminate this Agreement, or any portion thereunder, upon receipt by the NFWF Subrecipient of NFWF's written notice of termination, or as otherwise specified in the notice of termination:

**2.16.1.6.** after written notice and a reasonable opportunity, the NFWF Subrecipient is unable to cure a perceived non-compliance with any material term (other than those enumerated at 2.16.1.1 – 2.16.1.5) of this Agreement. The cure period shall be considered the timeframe specified by the Funding Source(s), if any, minus one (1) to five (5) days or as agreed upon by the Parties in writing, or if no time is specified by the Funding Source(s), ten (10) days or as otherwise agreed upon by the Parties. Within this time period the NFWF Subrecipient shall, as

determined by NFWF, (a) satisfactorily demonstrate its compliance with the term(s) originally believed to be in non-compliance; or (b) NFWF, at its sole discretion, may determine that NFWF Subrecipient has satisfactorily demonstrated that reasonable progress has been made so as not to endanger performance under this Agreement; or,

**2.16.1.7.** if the Funding Source issues an early termination under the funding agreement(s) covering all or part of the Project at issue hereunder.

**2.16.2.** Either Party may terminate this Agreement by written notice to the other Party for any reason by providing thirty (30) days' prior written notice to the other Party.

**2.16.3.** In the event of termination of this Agreement prior to Project completion, the NFWF Subrecipient shall immediately (unless otherwise directed by NFWF in its notice if NFWF initiated the termination) undertake all reasonable steps to wind down the Project cooperatively with NFWF, including but not limited to the following:

**2.16.3.3.** Terminate all pending Project work orders, subawards, and contracts for work that has not yet commenced.

**2.16.3.4.** With the prior written consent of NFWF, promptly take all other reasonable and feasible steps to minimize and/or mitigate any damages that may be caused by the failure to complete the Project, including but not limited to reasonable settlements of any outstanding claims arising out of termination of Project work orders, subawards, and contracts. NFWF will reimburse the NFWF Subrecipient for non-cancelable allowable costs incurred by the NFWF Subrecipient prior to termination that cannot be mitigated. However, the foregoing is subject to the complete reimbursement of such costs by the Funding Source; accordingly, any amounts ultimately not paid, or which are recouped by the Funding Source, are subject to recoupment by NFWF.

**2.16.3.5.** Deliver or make available to NFWF all data, drawings, specifications, reports, estimates, summaries, and such other information and material as may have been accumulated by the NFWF Subrecipient under this Agreement, whether completed or in progress.

Each provision of this Agreement is distinct and severable from the others. If one or more provisions is or becomes invalid, unlawful, or unenforceable in whole or in part, the validity, lawfulness and enforceability of the remaining provisions (and of the same provision to the extent enforceable) will not be impaired, and the Parties agree to substitute a provision as similar to the offending provision as possible without its being invalid, unlawful or unenforceable.

**2.19. Interpretation and Construction.**

**2.19.1.** This Agreement shall be interpreted as a unified contractual document with the Sections and the Attachments having equal effect, except in the event of any inconsistency between them. In the event of a conflict between any portion of this Agreement and another portion of this Grant Agreement, first the Sections will apply in the following order of precedence: 5, 4, 3, 1, 2 and 6, and then any supplemental attachments.

**2.19.2.** The title designations of the provisions to this Agreement are for convenience only and shall not affect the interpretation or construction of this Agreement.

**2.19.3.** Every right or remedy conferred by this Agreement upon or reserved to the Parties shall be cumulative and shall be in addition to every right or remedy now or hereafter existing at law or in equity, and the pursuit of any right or remedy shall not be construed a selection.

**2.19.4.** The failure of NFWF to exercise any right or privilege granted hereunder or to insist upon the performance and/or compliance of any provision of this Agreement, a referenced contractual, statutory or regulatory term, or an Attachment hereto, shall not be construed as waiving any such right, privilege, or performance/compliance issue, and the same shall continue in full force and effect.

**2.19.5.** Notwithstanding any express statements regarding the continuation of an obligation beyond the expiration or termination of this Agreement, the rights and obligations of this Agreement, which by their nature extend beyond its expiration or termination, shall remain in full force and effect and shall bind the Parties and their legal representatives, successors, heirs, and assigns.

#### **4.12. Prohibition on Certain Telecommunications and Video Surveillance Services or Equipment. (Effective 8/13/2020)**

As required by 2 CFR 200.216, the NFWF Subrecipient is prohibited from obligating or expending funds awarded under this Agreement to procure or obtain; extend or renew a contract to procure or obtain; or enter into a contract (or extend or renew a contract) to procure or obtain equipment, services, or systems that use covered telecommunications equipment or services from Huawei Technologies Company, ZTE Corporation, Hytera Communications Corporation, Hangzhou Hikvision Digital Technology Company, and Dahua Technology Company, or any other company, including affiliates and subsidiaries, owned or controlled by the People's Republic of China, which are a substantial or essential component of any system, or as critical technology as part of any system. By and through the NFWF Subrecipient's execution of this Agreement, the NFWF Subrecipient warrants and represents that the NFWF Subrecipient will not obligate or expend funds awarded under this Agreement for "covered telecommunications equipment or services" (as this term is defined and this restriction is imposed under 2 CFR 200.216).

#### **4.13. Domestic Preference for Procurements.**

- a) Under this Agreement and in accordance with 2 C.F.R. § 200.322, the NFWF Subrecipient shall to the greatest extent practicable, provide a preference for the purchase, acquisition, or use of goods, products or materials produced in the United States (including but not limited to iron, aluminum, steel, cement, and other manufactured products).
- b) For purposes of this agreement, the following definitions apply:
  - i. "Produced in the United States" means, for iron and steel products, that all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States; and
  - ii. "Manufactured products" means items and construction materials composed in whole or in part of non-ferrous metals such as aluminum; plastics and polymer-based products such as polyvinyl chloride pipe; aggregates such as concrete; glass, including optical fiber; and lumber.

## **SECTION 5 REPRESENTATIONS, CERTIFICATIONS, AND OTHER STATEMENTS RELATING TO FEDERAL FUNDS – FUNDING SOURCE SPECIFIC**

NFWF Subrecipient acknowledges that when all or part of this Agreement is funded by a federal award that certain representations, certifications, and other statements relating to the use of such funds or performance of the Project may be necessary. These representations, certifications and other statements are set forth below. Unless otherwise stated in this Agreement, the execution and submission of this Agreement serves as affirmative acknowledgement of an agreement with the below representations, certifications, and other statements. Further, should circumstances of the NFWF Subrecipient change during the performance of this Agreement that would render one of these representations, certifications and/or other statements inaccurate, invalid or incorrect, the NFWF Subrecipient shall promptly notify NFWF of such change in circumstance. Finally, NFWF reserves the right to update and require subsequent acknowledgement of an agreement with new or revised representations, certifications, and other statements at no additional cost under this Agreement.

#### **Grants Terms**

##### **U.S. Fish and Wildlife Service (Service) Financial Assistance Award Terms and Conditions.**

The Service Financial Assistance Award Terms and Conditions posted on the Internet at <https://www.fws.gov/grants/atc.html> apply to the NFWF Subrecipient and their subrecipients and contractors. See also the Department of the Interior's General Award Terms and Conditions on their website at: <https://www.doi.gov/grants/doi-standard-terms-and-conditions>.

#### **Buy America Provision.**

##### **Required Use of American Iron, Steel, Manufactured Products, and Construction Materials**

As required by Section 70914 of the Infrastructure Investment and Jobs Act (Pub. L. 117-58), on or after May 14, 2022, none of the funds under a federal award that are part of a Federal financial assistance program for infrastructure may be obligated for a project unless all the iron, steel, manufactured products, and construction materials used in the project are produced in the United States, unless subject to an approved waiver. NFWF Subrecipients must include the requirements in this section in all subawards, including all contracts and purchase orders for work or products under this program.

None of the funds provided under this award may be used for a project for infrastructure unless:

1. All iron and steel used in the project are produced in the United States. This means all manufacturing processes, from the initial melting stage through the application of coatings, occurred in the United States,
2. All manufactured products used in the project are produced in the United States. This means the manufactured product was manufactured in the United States, and the cost of the components of the manufactured product that are mined, produced, or manufactured in the United States is greater than 55 percent of the total cost of all components of the

manufactured product, unless another standard for determining the minimum amount of domestic content of the manufactured product has been established under applicable law or regulation, and

3. All construction materials are manufactured in the United States. This means that all manufacturing processes for the construction material occurred in the United States.

This Buy America preference only applies to articles, materials, and supplies consumed in, incorporated into, or affixed to an infrastructure project. As such, it does not apply to tools, equipment, and supplies, such as temporary scaffolding, brought to the construction site and removed at or before the completion of the infrastructure project. Nor does a Buy America preference apply to equipment and furnishings, such as movable chairs, desks, and portable computer equipment, used at or within the finished infrastructure project but are not an integral part of the structure or permanently affixed to the infrastructure project.

For more information, visit the Department of the Interior Buy America web page at [www.doi.gov/grants/BuyAmerica](http://www.doi.gov/grants/BuyAmerica) and the Office of Management and Budget Made in America web page at [www.whitehouse.gov/omb/management/made-in-america/](http://www.whitehouse.gov/omb/management/made-in-america/).

## Waivers

There may be instances where an award qualifies, in whole or in part, for an existing Department of the Interior (Department) general applicability waiver as described on the Department's General Applicability Waivers web page ([www.doi.gov/grants/BuyAmerica/GeneralApplicabilityWaivers](http://www.doi.gov/grants/BuyAmerica/GeneralApplicabilityWaivers)). If the specific financial assistance agreement, infrastructure project, or non-domestic materials meets the criteria of an existing general applicability waiver within the limitations defined within the waiver, the NFWF Subrecipient does not need to request a separate waiver for non-domestic materials.

When necessary, NFWF Subrecipients may apply for, and the Department may grant, a waiver from these requirements, subject to review by the Made in America Office. The Department may waive the application of the domestic content procurement preference in any case in which it is determined that one of the below circumstances applies:

1. Non-availability Waiver: the types of iron, steel, manufactured products, or construction materials are not produced in the United States in sufficient and reasonably available quantities or of a satisfactory quality,
2. Unreasonable Cost Waiver: the inclusion of iron, steel, manufactured products, or construction materials produced in the United States will increase the cost of the overall project by more than 25 percent, or
3. Public Interest Waiver: applying the domestic content procurement preference would be inconsistent with the public interest.

If a general applicability waiver does not already apply, and the NFWF Subrecipient believes that one of the above circumstances applies to an award, the NFWF Subrecipient may submit a request to waive the application of the domestic content procurement preference.

## Waiver Submission Instructions

NFWF Subrecipients must submit all waiver requests to the Service in writing. E-mail all waiver requests to [fwhqfasupport@fws.gov](mailto:fwhqfasupport@fws.gov). Please use the subject line: "Buy America Waiver Request". Include the following information with each waiver request:

2. Requesting entity name and Unique Entity Identifier (UEI)
3. Awarding bureau: U.S. Fish and Wildlife Service
4. Awarding program Assistance Listing number and title (Notice of Award, Block 2)
5. Project title (Notice of Award, Block 8)
6. Federal Award Identification Number (Notice of Award, Block 4)
7. Federal award amount (Notice of Award, Block 11)
8. Total infrastructure costs, to the extent know (federal and non-federal funds)
9. Infrastructure project description and location, to the extent known
10. List of iron or steel item(s), manufactured goods, and construction material(s) the recipient seeks to waive from Buy America requirements. Include the name, cost, countries of origin, if known, and relevant Product Service Code or NAICS code for each.
11. A certification that the Recipient made a good faith effort to solicit bids for domestic products supported by terms included in requests for proposals, contracts, and nonproprietary communications with the prime contractor.
12. A statement of waiver justification, including a description of the Recipient's efforts (e.g., market research, industry outreach) to avoid the need for a waiver. Such a justification may cite, if applicable, the absence of any Buy America-compliant bids received in response to a solicitation.
13. Anticipated impact if no waiver is issued.

Do not include any Privacy Act information, sensitive data, or proprietary information with the waiver request.

## Waiver Review Process

The Department will post waiver requests to their Buy America web page for the required 15-day public comment period. The Made in America Office will also review all waiver requests. The Department will post approved waivers on their Approved Waivers web page. The Service will notify recipients of their waiver request determination in writing by e-mail.

## **Notice of Temporary Waiver of the Applicable Buy America Preference for Infrastructure**

### **In Effect July 13, 2022 – January 12, 2023**

Per the Buy America, Build America Act (Section 70914 of the Infrastructure Investment and Jobs Act, Pub. L. 117-58) applicable to this award, none of the funds under a federal award may be obligated for an infrastructure project unless all the iron, steel, manufactured products, and construction materials used in the project are produced in the United States, unless subject to an approved waiver.

The NFWF Subrecipient is hereby notified that as of July 13, 2022, the applicable Buy America preference for infrastructure is temporarily waived through January 12, 2023. On July 13, 2022, the Office of Management and Budget's Made in America office approved a General Applicability Waiver suspending the Buy America preference for Department of Interior recipients for a six-month period. A copy of the approved waiver is available for the public on the "Approved Waivers" section of the Department of Interior's Buy America web page (<https://www.doi.gov/grants/buyamerica>).

The waiver does not change the terms and conditions of this award, but rather suspends them for the specified period. This provides a window of opportunity in which your organization may identify known domestic supply chain issues affecting your Service award. If such issues are identified, please notify NFWF as soon as possible.

### **Great Lakes (EAGL) Reporting.**

The NFWF Subrecipient will complete semi-annual reports as a part of the interagency effort to measure project contributions to the Great Lakes Restoration Initiative (GLRI) through the Environmental Accomplishments in the Great Lakes (EAGL) database. NFWF staff will inform applicants of EAGL reporting requirements and provide the spreadsheet template with which to record and submit project progress during the reporting period.

### **Environmental Compliance Reviews.**

The NFWF Subrecipient and any subrecipient(s) must not begin any potentially impactful work related to this award until the Service has notified in writing that such work can begin. Recipients and subrecipients of Federal grants and cooperative agreement awards must comply with the

requirements of the National Environmental Policy Act (NEPA), Section 7 of Endangered Species Act (ESA), and Section 106 of the National Historic Preservation Act (NHPA).

## **SECTION 6 OTHER REPRESENTATIONS, CERTIFICATIONS, STATEMENTS AND CLAUSES**

NFWF Subrecipient acknowledges that all or part of this Agreement may be funded by a non-federal source that requires certain representations, certifications, and other statements relating to the use of such funds or performance of the Project. These representations, certifications and other statements are set forth below. Unless otherwise stated in this Agreement, the execution and submission of this Agreement serves as affirmative acknowledgement of an agreement with the below representations, certifications, and other statements. Further, should circumstances of the NFWF Subrecipient change during the performance of this Agreement that would render one of these representations, certifications and/or other statements inaccurate, invalid or incorrect, the NFWF Subrecipient shall promptly notify NFWF of such change in circumstance. Finally, NFWF reserves the right to update and require subsequent acknowledgement of an agreement with new or revised representations, certifications, and other statements at no additional cost under this Agreement.
