65 PERCENT  
OF TODAY'S  
KINDERGARTNERS  
WILL HAVE JOBS THAT  
DON'T CURRENTLY EXIST

Here's how Macomb County is helping  
prepare its next generation of talent  
for those opportunities:

- Supporting academy-based learning through SME Prime and Ford NGL
- Sponsoring STEM programs like FIRST Robotics
- Developing a Robotics Collaboration and Innovation Center
- Promoting local CTE programs, resulting in the highest student enrollment in the state
- Hosting an annual celebration of MFG Day
