

**US Forest Service Great Lakes Restoration Initiative Grant
Summer 2018 Application Cycle**

Competitive Subaward Application Form

Please complete and return this form with any relevant attachments to brent.geurink@macombgov.org. Application guidance, including detailed project plan criteria, is provided in the **Project Information Packet** available at green.macombgov.org.

1. Community

2. Designated community or agency contact/coordinator

Name: _____ Title: _____

Phone: _____ Email: _____

3. Number of trees desired. Tree expenses are reimbursable up to \$150 per tree.

4. Preferred planting season(s) to install trees (Fall 2018, Spring 2018)

5. Identify planting site(s). Please provide description/attach a map/landscape plan.

(Maps to help guide site selection are available at green.macombgov.org)

6. Are preferred tree species known? If so, please provide.

7. **Briefly describe project plan (guidance in Project Information Packet), including:**
 - a. **Tree selection and purchasing. Include who will purchase trees, when/how.**

 - b. **Logistics, including ability to hold, maintain, and transport trees prior to planting.**

 - c. **Planting. Source of materials, who installs trees and manages quality of plantings.**

 - d. **Two-year [Tree Maintenance Plan](#), including watering.**

8. **If your community is requesting a ReLeaf Michigan coordinated volunteer event, please provide the following information**
 - a. **Identify strategy for securing volunteers for the planting event (1-2 volunteers/tree)**

 - b. **Who will pre-dig holes for tree planting?**

 - c. **How will mulch, top soil, and water be provided?**

 - d. **Is the planting of the requested trees dependent upon securing a ReLeaf Michigan coordinated volunteer event, or will the community be able to plant the trees if the event is not awarded?**
