- C. The Citizen Advisory Committee requests for access to Friend of the Court records shall be subject to the following procedure:
 1. Requests for information regarding the procedures used by the Friend of the Court office to carry out its responsibilities as defined by statute, court rule, or the bureau, MCL 552.504b(1)(b), and information regarding the

administration of the Friend of the Court office, including budget and personnel information MCL 552.504b(1)(c):

- a. When asking for information from the Friend of the Court, the Citizen Advisory Committee should submit a written request in letter format to the Chief Judge, with a copy to the Friend of the Court. The Citizen Advisory Committee should give a description of the information requested and wait a sufficient amount of time to allow the Friend of the Court or designated employees to comply with the request. The Citizen Advisory Committee should also specify how it wants to receive the information (e.g., in the Friend of the Court office, at a Committee meeting, or obtaining copies). The Friend of the Court shall have a reasonable time to arrange access or provide copies.
 - b. Upon receipt of the request, the Chief Judge shall approve or deny the request and send a letter to the Citizen Advisory Committee, with a copy to the Friend of the Court. The letter should detail what access will be allowed and, if no access is granted, the reason for the denial of all or part of a request.
2. Requests for case records and other information pertaining to a party who has filed a grievance with the Citizen Advisory Committee. MCL 552.504b(1)(a):
1. The Citizen Advisory Committee should submit a request on SCAO form 72a.
 2. Within five working days of receipt of the request, the Friend of the Court or designated employee shall determine if the request will be approved. Upon making a determination that no notice is required, or after a court order granting access is effective, the Friend of the Court or designated employee shall notify the Citizen Advisory Committee and shall facilitate access. The Friend of the Court shall have a reasonable time to allow access.
 4. If notice is required, the Friend of the Court or designated employee shall notify the interested parties and the Citizen Advisory Committee and advise that they have 14 days from the date of the notice to submit written comments on the request to the

judge assigned to the case.

5. After the expiration of 14 days, the judge assigned to the case shall determine whether to approve the request, deny the request, or approve the request subject to terms and conditions to protect the rights of a party or the well-being of a child.
 6. When the judge assigned to the case determines that access is granted, the order shall state that the access shall be allowed seven days after the decision is ordered to allow interested parties to file motions with respect to the decision. The judge's decision is an administrative decision, not a decision on the merits of the legal issues raised. Once the administrative decision is made, any party may file a formal motion to obtain a legal decision on the merits.
 7. All information in records concerning the whereabouts of a person whose address is subject to an order of confidentiality must be removed before the records are made available pursuant to MCR 3.218.
 8. If a representative of the Committee is allowed to review the original records, the Friend of the Court shall make a staff member available to safeguard the contents of a file while the representative is reviewing the records.
- VI. Copying costs will be assessed in accordance with the Court's local administrative order as required by MCR 8.119(E)(4)(b) for requests pursuant to paragraphs 2 and 4 of the court rule.
- VII. Circuit court and/or Friend of the Court records are not subject to the Michigan Freedom of Information Act requests. MCL 15.232(b)(v) specifically exempts the judiciary from Freedom of Information Act.
