With Executive Order 2020-4, Governor Whitmer declared a statewide state of emergency due to the spread of the novel coronavirus (COVID-19). This is a new strain of coronavirus that had not been previously identified in humans, can easily spread from person to person, and can result in serious illness or death. To mitigate the spread of COVID-19 and to provide essential protections to vulnerable Michiganders and this state's health care system and other critical infrastructure, it is crucial that all Michiganders take steps to limit in-person contact, particularly in the context of large groups.

The meeting is being held electronically in accordance with the Open Meetings Act in an effort to protect the health and safety of the public. Members of the public wishing to participate in the meeting may do so by dialing into the meeting at the conference call dial-in number provided above.
