Macomb County Animal Control hosts "Sprung by Springtime" event

Adoption fees waived on Saturday, April 14

Macomb County will host a special adoption event at the Animal Shelter on Saturday, April 14 from 10 a.m. to 2 p.m.

"We have a variety of dogs and cats that are ready to love and be loved by new families," said Chief Jeff Randazzo. "Our adoption specialists will be on duty to help people find their new best friend."

Adoption fees will be waived for every animal that is adopted during the event. Dogs who find new homes will need to pay the \$10 license fee required for all dogs that reside in Macomb County.

The Macomb County Animal Shelter is located at 21417 Dunham Road in Clinton Township, MI

The mission of the Macomb County Animal Control is to protect the health and safety of our residents, and to protect animals and promote their humane treatment. Macomb County Animal Control abides by a no-kill philosophy and makes every effort to promote adoptions of healthy, non-aggressive animals by the general public and by approved animal rescue organizations. As a means of reducing the number of homeless pets, all dogs and cats are spayed or neutered prior to adoption.
