AGENDA ITEM:

MACOMB COUNTY, MICHIGAN

RESOLUTION TO: Receive and file a report of the Macomb County Water Quality Board

INTRODUCED BY: Commissioner Dana Camphous-Peterson, Chairperson  
Health & Environmental Services Committee

The Macomb County Water Quality Board met on November 9, 2010. The Board passed a resolution opposing in principle any shipment of radioactive waste on the Great Lakes and also asking that the matter be referred to the Pipeline and Hazardous Materials Safety Commission.

Dr. van Hees of Wayne State University reviewed a study done with colleagues from Oakland University entitled "Distribution, sources and behavior of trace elements in the Clinton River Watershed, Michigan". The conclusion included that concentration levels reached levels similar to that found in known contaminated and larger watersheds characterized by heavy industrialization, urbanization and contamination.

Mr. Steve Gold, Director/Health Officer reported on the financial status of the Drinking Water Monitoring Project. Depending on the level of operations, funding could end from May to December 2011. To date, no substantial funding for long range continuation of the Project has been secured.

RESOLUTION TO: Receive and file information from Clinton Township on progress toward completion of their current Lake/River Fund Project

INTRODUCED BY: Commissioner Dana Camphous-Peterson, Chairperson, Health and Environmental Services Committee

In June, 2009 Clinton Township received funding for a Lake/River Fund project to construct a rain garden in Reid Park. The rain garden project was associated with an independently-funded parking lot project, whereby the parking lot would be constructed to drain to the rain garden.

The parking lot project was delayed for various reasons. Upon its recent completion, Clinton Township's vendors and consultants on the rain garden advised them that for the rain garden's native vegetation to survive, planting should be deferred until Spring, 2011.

Clinton Township assures the County that construction and plantings for the rain garden will be a priority project for their DPW staff in the spring, and that they will complete their Lake/River Fund project in that time frame.

RESOLUTION NO. \_\_\_\_\_

MEETING DATE: \_\_\_\_\_

AGENDA ITEM: \_\_\_\_\_

MACOMB COUNTY, MICHIGAN

RESOLUTION TO: Authorize the Health Department to accept a WIC Infrastructure Grant from the Michigan Department of Community Health in the amount of \$19,200.00

INTRODUCED BY: Commissioner Dana Camphous-Peterson, Chairperson, Health and Environmental Services Committee

In 2011, the Macomb County Health Department will be closed 18 days, including holidays as well as six (6) mandatory furlough days. As a result, it is estimated that 1785 appointment opportunities for WIC clients will be lost, which represents about 7% of all appointments scheduled in one year. The additional funds will be used to schedule 12 overtime clinics (Saturdays) in 2011 to decrease appointment wait times that will result from the closure days.

Hi Stan

For your information, Martha Brooks and Gary White at Macomb need an e-mail from you that re-states that the AgriPart money is available from USDA and that it is Juan (MDCH) intention to allocate additional funds up to \$750,000 (as available) if the request is approved.

Thanks,

Juan

Hi Juan

Attached is the request completed by Ron, which looks complete and accurate and can be submitted as is.

(per our conversation)

Since a request for additional funds requires a resolution submission to the Macomb County Board of Commissioners, our Deputy Health Officer is requesting confirmation by e-mail is fine from MDCH that OA grant money is available from USDA and that the year intention to add more additional funds (up to \$19,266) as available if the request is approved.

His name is Gary White (gary.white@macombcountymtmi.gov). Mr. White has requested this confirmation ASAP (i.e. TODAY) as the deadline for submission of agenda items/resolutions for the next Board meeting ends today.

Best Regards,  
Martha
