Except as superseded by State law or by collective bargaining agreements, these HR Policies apply to all persons employed by the Court. The Judges of the Sixteenth Circuit Court, the Macomb County Probate Court, and the 42nd District Court are not subject to HR Policies. The employees of the above named Elected Officials are subject to the provisions of these HR Policies. The Elected Officials are obligated to abide by, and enforce, the provisions of these HR Policies as they relate to the employees under their jurisdiction.

The Court reserves and retains, solely and exclusively, all rights to manage and operate its affairs; the constitutional and/or statutory rights, duties and obligations of the Court shall in no way be abridged by the terms of these HR Policies.

PURPOSE AND INTENT

These HR Policies should not be construed as creating a contract between the Court and any of its employees. The interpretation and operation of these HR Policies and benefits noted herein are within the sole discretion of the Court. The HR Policies outlined in this document may be added to, expanded, reduced, deleted or otherwise modified by the Court at any time, with or without notice. Any such modifications shall be within the sole discretion of the Chief Judge. These HR Policies supersede all prior HR/Personnel Policies.

An employee cannot rely upon custom or prior practice. The fact that HR Policies may have been applied differently in the past does not affect their current or future enforcement.

ELIGIBILITY AND PROCEDURE:

The disciplinary action appeal process is available to regular full-time and budgeted part-time non-union employees who have completed their initial probationary period and shall only apply to disciplinary action resulting in an unpaid disciplinary suspension or discharge. This Policy shall not apply to an employee employed in a position designated as "at will". If an eligible employee wishes to have such disciplinary action modified or rescinded from his/her employment record, said employee must utilize the following procedure:

STEP 1 APPEAL: If an eligible employee wishes to appeal a disciplinary action under this policy, the employee shall do so in writing to the Human Resources and Labor Relations Department within ten (10) working days of the date of the disciplinary action. The written appeal shall include the employee's name, department, classification, the action that is being appealed, the reason(s) why the employee feels the disciplinary action was not justified, and the desired resolution.

The decision shall be in writing and sent to the affected employee and Elected Official/Department Head; and, it shall be made within ten (10) working days of the completion of the review process. If a claim of appeal is made against the Director of Human Resources and Labor Relations, Corporation Counsel shall review the matter under this Policy. The decision of the Director of Human Resources and Labor Relations or Corporation Counsel shall be final and binding unless the disciplinary action involves discharge.

STEP 2 APPEAL: If the decision of the Director of Human Resources and Labor Relations or Corporation Counsel at Step 1 regarding discharge is unacceptable to the affected employee, the decision may be appealed by the employee. The employee may elect to have his/her appeal heard by an Arbitrator. The appeal must be submitted in writing

Page 2 of 2

to the Director of Human Resources and Labor Relations within ten (10) working days of the receipt of the Step 1 determination.

Upon receipt of such appeal, the Director of Human Resources and Labor Relations shall arrange to have an Arbitrator selected to hear the appeal at Step 2 according to the procedures of the Federal Mediation and Conciliation Service.

AUTHORITY OF ARBITRATOR: The authority of the Arbitrator shall be limited to sustaining, overruling or mitigating the disciplinary action. The Arbitrator shall apply the just cause standard in his/her decision. The decision of the Arbitrator shall be final and binding on the employee and on the Court. There shall be no appeal from any such decision unless such decision shall extend beyond the limits of the authority herein conferred to the Arbitrator. The Arbitrator shall have no authority to modify, amend or rescind a policy, procedure or practice that has been established.

FEES AND EXPENSES: The fees and expenses of the Arbitrator and the Federal Mediation and Conciliation Service shall be shared equally by the employee and by the County. DISCRIMINATION AND HARASSMENT

Macomb County is committed to a workplace free from workplace discrimination and harassment. All employees will be treated in a fair and respectful manner.

DISCRIMINATION:

It is a violation of this Policy to discriminate in the provision of employment opportunities, benefits or privileges, to create discriminatory work conditions or to use evaluative standards in employment if that treatment is, in whole or in part, on the basis of the person's religion, race, color, national origin, age, height, weight, familial status, marital status, sex, sexual orientation or gender identity.

Discrimination of this kind may also be strictly prohibited by a variety of federal, state and local laws. This policy is intended to comply with the prohibitions stated in these anti-discrimination laws.

HARASSMENT:

The Court/County prohibits harassment of any kind and will take appropriate and immediate action in response to complaints or knowledge of violations of this policy.

For purposes of this policy, harassment is any verbal or physical conduct designed to threaten, intimidate or coerce an employee, co-worker or any person working for or on behalf of the Court/County.

The following examples of harassment are intended to be guidelines and are not exclusive when determining whether there has been a violation of this policy:

Verbal Harassment: This form of harassment includes comments that are offensive or unwelcome regarding a person's religion, race, color, national origin, age, height, weight, familial status, marital status, sex, sexual orientation or gender identity, including slurs, epithets and negative stereotyping.

Nonverbal Harassment: This form of harassment includes distribution, display or discussion of any written or graphic material, including the use of technology or social media, that ridicules, denigrates, insults, or shows hostility or disrespect toward an individual or group because of religion, race, color, national origin, age, height, weight, familial status, marital status, sex, sexual orientation or gender identity, including slurs, epithets and negative stereotyping.

POLICY: DISCRIMINATION AND HARASSMENT

Page 2

Sexual Harassment: Sexual harassment is a form of sexual discrimination.

Federal and State authorities provide that sexual harassment consists of unwelcome sexual advances, request for sexual favors, and other verbal or physical conduct of a sexual nature. Such conduct is unlawful where:

1. Submission to the conduct is either an explicit or implicit term or condition of employment; or
2. Submission to or rejection of the conduct is used as the basis for employment decisions affecting the person who did the submitting or rejecting; or
3. The conduct has the purpose or effect of substantially interfering with an individual's work performance or creating an intimidating, hostile or offensive environment.

Quid Pro Quo ("this for that"): This form of harassment generally results from an employment decision based upon the employee's acceptance or rejection of unwelcome sexual advances or requests for sexual favors but can also result from unwelcome conduct that is of a religious nature.

Hostile Work Environment: This form of harassment is the use of unwelcome conduct of supervisors, co-workers, customers or anyone else the victim interacts with on the job, and the unwelcome conduct results in the workplace atmosphere as intimidating, hostile, or offensive.

Workplace Bullying: This form of harassment includes is the use of inappropriately aggressive or insulting conduct or comments, which when viewed objectively, may cause an employee against whom such conduct or comments are directed to be humiliated or intimidated.

DISCRIMINATION AND HARASSMENT COMPLAINT PROCEDURE:

Employees who feel they have been victims of discrimination or harassment should bring such matters to the attention of their supervisor, Elected Official/Department Head or Human Resources and Labor Relations. It is the Policy of the County to treat all such complaints seriously. Retaliation against an employee bringing a complaint to the attention of management of the County is strictly prohibited. All employees are expected to comply with this Policy and must cooperate fully with Human Resources and Labor Relations and any investigation of a reported violation.

POLICY: DISCRIMINATION AND HARASSMENT

DRESS CODE POLICY

Introduction

Your appearance and personal hygiene at the Macomb County Circuit Court and Probate Court should always reflect the highest standards of professionalism. You should always be well-groomed and your attire should be appropriate to your position as an employee of the Court.

Everyone must wear appropriate clothing to provide a professional appearance to the public, even employees who do not meet with the public. A professional appearance throughout the week, including casual days, must be maintained.

No dress code can cover all contingencies, so employees must exert a certain amount of judgment in their choice of clothing to wear to work. If you are uncertain whether your choice of clothing is acceptable, please ask your supervisor in advance of wearing the item to work. Reasonable accommodations will be made for employees' religious beliefs consistent with the court's business necessity to present a professional appearance to the public.

If clothing fails to meet the standards set forth, as determined by the employee's supervisor, the employee will be asked not to wear the inappropriate item to work again. If the problem reoccurs, the employee may be sent home without pay to change clothes and will receive a written warning for the offense. Progressive disciplinary action will be applied if dress code violations continue.

Dress Code

Employees are expected to dress neatly and avoid any apparel that may not be in keeping with good business taste and safety standards. Employees are expected to dress in business or business-casual attire.

Examples of acceptable business or business-casual attire for women include: dresses, suits, skirts, blouses, sweaters, dress pants, and conservative khaki or chino-style pants. Sleeveless tops are permissible unless the straps narrow towards the neck. Capri and cropped pants

Page 2 of 3

are permitted as long as they are business appropriate. For men, examples of acceptable office attire include: suits, dress shirts and ties, slacks, button-down shirts, polos, sweaters and khaki-style pants.

Unacceptable clothing includes, but is not limited to: sweatpants, jogging suits, leggings, hooded tops, fleece apparel, flannel apparel, tank tops, tube tops, spaghetti-strap tops, halter tops, shirts that reveal the midriff, t-shirts, shorts, skorts, short skirts or dresses (more than 2 inches above the knee), jeans, and sheer clothing. Clothing that is revealing, distracting or provocative is not acceptable. Additionally, clothing that has words, logos or pictures is unacceptable except as specifically allowed for on casual days.

Personal Hygiene

Good personal hygiene is expected of at all times. While by no means exhaustive, the following are illustrative of what good hygiene habits include: bathe or shower regularly; maintain good dental hygiene; keep nails clean and trimmed; and avoid obtrusive body odors. Further, as a courtesy to coworkers, perfumes, colognes and body lotions should be unobtrusive as well.

Shoes & Footwear

Acceptable footwear includes, but is not limited to: dress shoes, loafers, boots, flats, dress heels/sandals and leather deck-type shoes. Unacceptable footwear includes, but is not limited to: athletic shoes, flip-flops, Crocs, hiking boots, and slippers. An employee may request an exemption from this requirement if the employee provides a doctor's statement indicating the necessity of wearing certain shoes for health reasons.

Hats & Head-Coverings

Hats are not appropriate in the office. Head covers that are required for religious purposes or to honor cultural tradition are allowed.

Jewelry, Tattoos, Body Piercings & Makeup

Jewelry and makeup should be in good taste and professionally

Page 3 of 3

appropriate. Tattoos and/or body piercings that could be offensive, disturbing or distracting to the public should be covered and must be non-conspicuous. Management reserves the right to ask an employee to remove or cover anything that is deemed inappropriate for viewing by customers and other employees.

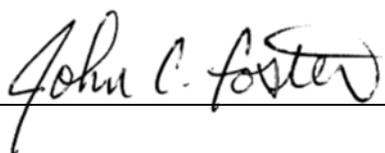

Casual Days

Employees who choose to dress casually on casual days must contribute to the program or charity designated by the court in order to participate. On casual days, employees are still expected to dress in a manner that does not compromise professionalism.

While appropriate casual wear includes conservative jeans, casual knit shirts, denim shirts, chino-style pants and capri pants, the inappropriate examples of clothing listed above remain in effect with the following exceptions: shirts with logos may be worn on casual days, but the picture, writing or logo must be no larger than the palm of one's hand and tennis/athletic shoes are permissible.

Employees may dress more casually on casual days unless it is expected that they will be in the courtroom. On some occasions, the demands of a particular position may require professional attire even on a casual day. Employees who are not scheduled to be in the courtroom, but may be called in unexpectedly, must still bring appropriate courtroom attire to work.

DRUG & ALCOHOL TESTING POLICY

The Court is committed to providing a safe and productive workplace free from the impacts of drugs and alcohol. This Policy applies to all employees. Certain employees, for example, drivers of some Court or County vehicles or employees otherwise covered by Federal and State regulations, are subject to special rules regarding the use of drugs and alcohol and the Court's obligation to test for such use. In the event any provision of this Policy is less strict than these special rules, the special rules shall govern for these employees. Employees who have a valid Medical Marijuana Program card are not exempt from this Policy.

Drug and alcohol testing will be administered on the following basis:

Reasonable suspicion: An employee shall submit to a drug and alcohol test if there is reasonable suspicion that the employee in question is under the influence, impaired, or otherwise affected by the use of an unauthorized prescription or non-prescription drug, illegal drug, controlled substance, and/or alcohol.

Post-accident: An employee involved in an on-the-job accident/injury requiring a clinic or emergency room visit, will be subject to drug and alcohol testing immediately following the accident/injury. In cases where the employee is taken to the Emergency Room, the employee must follow up with the Court/County's clinic as soon as the employee is able.

When an employee is directed to submit to a drug and alcohol test, the Court will notify the employee of the results as soon as possible after receiving the results from the clinic and/or laboratory. The Court shall treat the refusal to submit to the drug and alcohol test or comply with a Medical Review Officer (MRO) as a positive drug test.

Positive drug test: A drug and/or alcohol test that indicates the employee had a positive marker for one of the drugs screened and/or a blood alcohol level of .04 or greater.

Medical Review Officer: A positive test result will be reviewed by a Medical Review Officer (MRO) before being reported to Human Resources and Labor Relations. Because a positive test result may be the result of a lawfully prescribed medication or ingestion of lawful substances, the employee will be provided an opportunity to discuss and provide evidence of prescription to the MRO. The employee shall comply with all requirements of the MRO.

POLICY: DRUG & ALCOHOL TESTING POLICY

Page 2

Upon reasonable suspicion, the Court reserves the right to conduct searches as outlined below:

Court/County property: A search of a Court employee's workplace is authorized by law where (1) it serves a non-investigatory purpose, or (2) it is carried out as a component of an investigation of work-related misconduct, it is not unreasonably intrusive and its scope is reasonable considering its objective. The Court reserves the right to search Court/County property and/or personal effects placed in Court/ County property if there is a reasonable individualized suspicion that illegal drugs, controlled substances, alcohol, and/or unauthorized prescription drugs will be found in the property searched.

If the employee whose property is to be searched is in the facility, he/she shall be present during such search unless impossible or impractical under circumstances. If the employee is represented by a collective bargaining agreement, a union steward may be present, upon the request of the employee.

An employee who voluntarily discloses a problem with controlled substances or alcohol cannot be disciplined for such disclosure alone, if and only if, the problem is disclosed before the occurrence of an event that gives rise to reasonable suspicion that the employee violated this Policy.

After receiving an employee's voluntary disclosure, the Court shall permit the employee an immediate leave of absence to obtain medical treatment or to participate in a rehabilitation program.

After receiving an employee's voluntary disclosure, the employee will be removed from the duties of the position until the employee submits to and passes a follow-up drug and alcohol test.

The Court may also require the employee to submit to further follow-up testing as a condition of continuing employment or returning to work.

Disciplinary action for violations of this Policy shall be as follows:

1. Immediate termination for any employee in a position subject to Department of Transportation guidelines.

POLICY: DRUG & ALCOHOL TESTING
Page 3

2. For all other employees:

First offense will result in a ten (10) work day disciplinary suspension coupled with referral to the Employee Assistance Program, and future random drug/alcohol testing. Such discipline shall be imposed under "last chance" guidelines.

Second offense will result in termination of employment and shall not subject to the disciplinary action appeal process.

It is the intent of this Policy to ensure that employees suffering from alcohol or drug dependency will not have their job security and promotional opportunities jeopardized solely by a request for help. Satisfactory job performance is still mandatory, and an employee has the primary responsibility for seeking help and for maintaining a treatment program as necessary. An employee seeking treatment, either from a physician or through an Employee Assistance Program, will not avoid disciplinary action if he or she does not meet satisfactory job performance standards or other conditions of employment.

Electronic Recording

Unauthorized electronic recording of employees leads to employee distrust and negatively impacts morale. For this reason, an employee, contractor or vendor may not record the conversation of another employee, contractor, vendor or the public without his/her full knowledge and consent.

Under this policy, an employee, contractor or vendor has the right to refuse to be recorded by another employee, contractor or vendor if he/she clearly expresses this right either verbally or in writing. The County reserves the right, with notice, to record meetings that could result in disciplinary action.

This policy does not apply to electronic surveillance/recording that is used for security purposes, recording for valid law enforcement purposes or for meetings designated by the County as an "Open Meeting". The Court is an equal employment opportunity employer that is committed to hire the most suitable applicant for vacant budgeted positions based upon a full, complete and fair analysis of qualifications. In order to promote a safe work environment and to ensure the character and fitness of potential employees, background checks are conducted. The Court will provide additional preference to qualifying United States Veterans during the interview process.

RECRUITMENT AND SELECTION ADMINISTRATION:

The Department Head/Elected Official shall make a request to fill a vacant budgeted position to Macomb County Human Resources and Labor Relations.

The Director of Human Resources and Labor Relations and Finance shall review the request as it relates to position control and budget authorization.

When authorized, Human Resources and Labor Relations, in conjunction with the Department, shall create, review, modify and distribute the job posting and interview process materials. Positions shall be posted for a minimum of ten (10) working days, unless otherwise specified by Human Resources and Labor Relations or an applicable collective bargaining agreement.

All applicants interested in a position must apply through the Human Resources and Labor Relations established application process within the posting period. The applicant must meet the minimum qualifications before the closing date of the posting, unless otherwise specified by Human Resources and Labor Relations or an applicable collective bargaining agreement.

Human Resources and Labor Relations reviews the applications and qualifications for each posting and will determine, using the minimum qualifications for a particular position, as approved by the Chief Judge or designee, whether the applicant meets those minimum qualifications. Human Resources and Labor Relations and/or the Department will then select the most qualified applicants based upon measurable screening

All selection materials and methods shall be authorized in advance by the Court Administrator or the Chief Judge. A selection committee shall consist of at least two (2) representatives, as determined by the Department Head/Elected Official. The applicants will be ranked based upon matrices that are scored by each member of the interview committee. All selection materials will be returned to and maintained by Human Resources and Labor Relations.

Based upon the interview process, the Department Head/Elected Official recommends an applicant for hire and requests placement within the salary range for review and approval by the Chief Judge.

If it is determined that there are no suitable applicants for the position after the interview process, the Department may make a request to Human Resources and Labor Relations to select additional applicants for interview, based upon measurable screening criteria, or re-post the position.

Human Resources and Labor Relations shall facilitate and complete the recruitment and selection process, which includes a thorough and proper background check, with the recommended applicant.

RULES OF CONDUCT AND TRIAL COURT EMPLOYEE CANONS

We have certain rules of conduct that have to be followed if we are to get our work done in an efficient and orderly way. Your cooperation is essential, and we urge you to familiarize yourself with those rules of prohibited conduct listed below so you know what is and is not acceptable behavior. In addition, as Court employees, employees must conduct themselves in a manner that upholds and increases public trust and confidence in our Court, and as such we expect all employees to follow the Model Code of Conduct for Michigan Trial Court Employees, attached as Appendix D to this handbook. We know employees who will violate the rules are rare exceptions. Based on common sense and good judgment, these rules are designed to protect your rights, the rights of your fellow employees, and the public we serve.

Violations of the following rules which prohibit the indicated behavior will, in the discretion of the Court, result in disciplinary action up to and including termination:

3. Theft, unauthorized removal of property, or misappropriation of funds of either the Court, employees, customers or other persons employees deal with in conducting their duties;
4. Refusal to participate in any Court investigation or in the maintenance of a safe workplace, including, but not limited to, investigations related to suspected rule violations, suspected legal violations, or customer investigations;

7. Possession of hazardous or dangerous property such as weapons, firearms, or chemicals on Court premises;
8. Falsification of personnel or other records, dishonesty (including the submission of false or inaccurate records developed by others), or omission of material information;
9. Restricting or interfering with production or attempting to induce others to do so;
10. Damage to, destruction of, or misuse of property and equipment belonging to the Court or its employees, customers, or other persons with whose employees interact in performing their work duties;

18. Unauthorized entry into the building or Court premises during non-working hours;
19. Conviction of a crime*;
20. Bribery or fraudulent or unethical conduct;
21. Violation of any policy contained in this handbook; or
22. Violation of any Model Code of Conduct canon.

The above rules are not intended to be all inclusive of the proper standards of conduct or other obligations of employees. The Court reserves the right to take disciplinary action for other offenses not specifically listed here. Disciplinary action may include a verbal warning, written warning, suspension without pay and termination. The appropriate disciplinary action imposed will be determined by the Court. The Court does not guarantee that one form of action will necessarily precede another. This listing of Rules of Conduct and any discipline taken (under these rules or otherwise) does not modify the employment status set forth in the Employment Status Policy.

*Note: A conviction record will not necessarily be a bar to employment or cause for termination. Factors such as age, time of offense, seriousness and nature of violation and rehabilitation will be considered.

SOCIAL MEDIA POLICY

POLICY STATEMENT:

The 16th Judicial Circuit, 42nd Judicial District, and Macomb County Probate Courts ("Court") recognize and understand that social media is a way to share your life and opinions with family, friends and co-workers around the world. However, use of social media also presents certain risks and carries with it certain responsibilities. These risks include the risk that your use of social media may affect the Court. To assist you in making responsible decisions about your use of social media as they may affect the Court, we have established these guidelines for the appropriate use of social media.

This Policy applies to all persons who work for the Court.

In the rapidly expanding world of electronic communication, social media can mean many things. Social media includes all means of communicating or posting information or content of any sort on the Internet, including but not limited to the following: your own or someone else's web log or blog, journal or diary, personal web site, social networking or affinity web site, web bulletin board or a chat room, whether or not associated or affiliated with the Court, as well as any other form of electronic communication.

The same principles and guidelines found in the Court's policies and Model Code of Conduct for Michigan Trial Court Employees apply to your activities online. See attachment. Ultimately, you are solely responsible for what you post online. Before creating online content, consider the risks that are involved. Do not post personal comments on, or observations about, cases handled by the Court because even the appearance of impropriety may undermine the public confidence in the independence, impartiality and integrity of the Court. Keep in mind that content that may adversely affect your job performance, the job performance of other Court employees or the work of the Court; that may disrupt the work environment or interfere with the delivery of administrative or adjudicative services; or that may have the appearance of impropriety may result in disciplinary actions up to and including termination.

GUIDELINES:

A. Know and Follow the Rules

Carefully read the Court's employment guidelines which include the Courts' Human Resources Policies, the Macomb County Internet and County Network Access and Use Policy, and the Model Code of Conduct for Michigan Trial Court Employees. Please ensure your postings are consistent with these policies. Inappropriate postings that may include discriminatory remarks, harassment, and threats of violence or similar inappropriate or unlawful conduct will not be tolerated and may subject you to disciplinary action up to and including termination.

B. Be Respectful

Always be fair and courteous to the public, Court vendors, volunteers, Macomb County employees and persons who work in, or on behalf of, the Court. Also, keep in mind that you are more likely to resolve work-related complaints by speaking directly with your co-workers or supervisor than by posting complaints to a social media outlet. Nevertheless, if you decide to post work-related complaints or criticism, or otherwise identify yourself as a Court employee, do not use statements, photographs, video or audio that reasonably could be viewed as malicious, obscene, threatening, intimidating or disparaging, or that might constitute harassment or bullying. Examples of such conduct might include offensive posts that may harm someone's reputation or posts that could contribute to a hostile environment on the basis of race, sex, disability, religion, sexual orientation, age or weight or any other status protected by law or the Court policy.

C. Be Honest and Accurate

Make sure you are always honest and accurate when posting any information or news, and if you make a mistake, correct it quickly. Be open about any previous posts you have altered. Remember that the Internet archives almost everything; therefore, even deleted postings can be searched. Never post any information or rumors that you do not have a reasonable basis to know are true about the Court, co-workers, volunteers, Macomb County employees the public, vendors, other courts or any other person.

D. Post Only Appropriate and Respectful Content

1. Maintain the confidentiality of the Court's confidential information. Do not post internal reports, policies, procedures or other internal court-related confidential information or communication.
2. Do not post, transmit, or otherwise disseminate any information to which you have access as a result of your employment. Do not make personal comments on, or observations about, cases handled by the Court, whether pending or closed, including comments about, or observations on, the substance of the case, a party, a witness, a juror, an attorney or any other person involved.
3. Do not create a link from your blog, website or other social networking site to the Court's website.
4. Express only your personal opinions. Never represent yourself as a spokesperson for the Court. If the Court is a subject of the content you are creating, or if you identify, or have identified, yourself as a Court employee, make it clear that your views do not represent those of the Court or your co-workers. If you do publish a blog or post online related to the work you do or subjects associated with the Court, or if you identify, or have identified, yourself as a Court employee, make it clear that you are not speaking on behalf of the Court. It is best to include a disclaimer such as "The postings on this site are my own and do not necessarily reflect the views of the Court."
5. You may be subject to civil litigation for publishing or posting false information that harms the reputation of another person, group, or organization (defamation); publishing or posting private facts and personal information about someone without their permission that has not been previously revealed to the public; using someone else's name, likeness or other personal attributes without that person's permission for an exploitative purpose; or publishing the creative work of another transaction, trademarks, or certain confidential business information without the permission of the owner.

E. Using Social Media at Work

Do not use social media while on work time or on equipment the Court provides, unless it is work-related as authorized by your supervisor or consistent with the Court's Personnel Manual, the Macomb County Internet and County Network Access and Use Policy, and the Model Code of Conduct for Michigan Trial Court Employees. Do not use a Court email address to register on social networks, blogs or other online tools utilized for personal use.

F. Retaliation is Prohibited

The Court prohibits adverse employment action or retaliation against any employee for reporting a possible violation of this Social Media Policy or for cooperating in an investigation of such an alleged violation. Any Court employee who takes adverse employment action or otherwise retaliates against another Court employee for reporting a possible violation or for cooperating in an investigation will be subject to disciplinary action, up to and including termination.

G. Media Contacts

The Court employees shall not speak to the media on the Court's behalf without prior approval from the Chief Judge or Court Administrator. All media inquiries should be directed to the Court Administrator or the Chief Judge.

H. For More Information

If you have questions or need further guidance, please contact your Division Administrator.

Any fringe benefits paid to employees shall continue to be received by DROP participants, except for those specifically eliminated or modified by this Plan or Human Resources Policy. Upon election to participate in the DROP, the employee is not considered to be a member in the Macomb County Employees' Retirement System (MCERS).

The employee's DROP benefit will be credited monthly to the employee's individual DROP account, as established within the Macomb County Employees' Retirement System. The employee's DROP account will be maintained and managed by the Macomb County Employees' Retirement System. Upon participation in DROP, the retiree shall begin to receive payments to his/her individual DROP account as described hereinafter. The employee is solely responsible for analyzing the tax consequences of participation in the DROP.

- B. Eligibility: Eligible employees who are members of the Macomb County Employees' Retirement System and who are vested on December 31, 2012, may voluntarily elect to participate in the DROP at any time after attaining the minimum age and service requirements for a normal service retirement.
- C. Participation: The maximum period for participation in the DROP is five (5) years (the "Participation Period"). There is no minimum time period for participation.
- D. DROP Payment: Upon termination of employment, the retiree shall receive the monthly retirement benefits previously credited to his/her DROP account. Failure to terminate employment at the expiration of the DROP Participation Period shall result in suspension of the employee's monthly pension benefit otherwise payable to the DROP account until

POLICY: DEFERRED RETIREMENT OPTION PLAN (DROP)

termination of employment. Interest on the DROP account will continue to accrue during such a forfeiture, except as provided in Subsection J.

- E. Election to Participate: Participation in the DROP is irrevocable once an employee begins participation. An employee who wishes to participate in the DROP shall complete and sign all necessary documents. On the date upon which the member's participation in the DROP is effective, he/she shall be considered to be a DROP participant and shall cease to be an active member of the Macomb County Employees' Retirement System. The amount of credited service, multiplier and Final Average Compensation (FAC) shall be fixed as of the employee's DROP date. When an employee's FAC, used to determine the employee's Retirement Allowance, is calculated, any retroactive wages provided shall be counted as if the retroactive wages were paid to the employee when the wages were earned, not when they were received by the employee. Increases or decreases in compensation during DROP participation will not be factored into retirement benefits of active or former DROP participants. DROP participants accrue no additional service time credit for retirement purposes pursuant to the Macomb County Employees' Retirement System.
- F. DROP Benefit: The employee's DROP benefit shall be the regular monthly pension benefit the employee would have been entitled to if he/she had actually retired on the DROP date, less the annuity withdrawal reduction as set forth in Subsection G, if applicable. The employee's DROP benefit shall be credited monthly to the employee's individual DROP account. At the time an employee elects to participate in the DROP, his/her choice of a straight life retirement allowance or an optional form of retirement allowance as set forth in the Macomb County Employees' Retirement Ordinance shall be irrevocable.
- G. Annuity Withdrawal: An employee who elects to participate in the DROP may elect the Annuity Withdrawal option provided by the Retirement Ordinance at the time of electing DROP participation. Such election shall be made commensurate with the employee's DROP election, but not thereafter. Such annuity withdrawal will be utilized to compute the actuarial reduction of the member's DROP benefit, as well as the member's monthly pension benefit from the Macomb County Employees' Retirement System, after termination of employment.

POLICY: DEFERRED RETIREMENT OPTION PLAN (DROP)

Page 3

The annuity withdrawal amount (accumulated contributions) will be disbursed from the Macomb County Employees' Retirement System at the time of DROP election. All withdrawal provisions and options under the Retirement Ordinance, which are available to Retirement System members shall be available to the employee participating in the DROP at such time that he/she elects to participate in the DROP.

- H. DROP Accounts: For each employee participating in the DROP, an individual DROP account will be created to include accumulated DROP benefits, as well as interest on DROP benefits. All individual DROP accounts shall be maintained for the benefit of each employee participating in the DROP and will be managed by the Retirement System in the same manner as the primary retirement fund.

DROP interest for each employee who participates in the DROP shall be at a fixed rate of 3.5% per annum, calculated in the same manner as the interest in the employee savings accounts in the Macomb County Employees' Retirement System.

- I. Contributions: The employee's contributions to the Macomb County Employees' Retirement System shall cease as of the date that the employee begins participation in the DROP.
- J. Distribution of DROP Funds: Within 60 days of termination of employment, the employee participating in the DROP must choose one of the following:
- 1) A lump sum distribution to the employee; AND/OR
 - 2) A lump sum direct rollover to another qualified plan to the extent allowed by Federal law and in accordance with any established procedures or the Retirement System for such rollovers.

Failure to elect one of the above options and receive such distribution within 60 days of termination of employment shall result in the termination of any interest paid on said account.

POLICY: DEFERRED RETIREMENT OPTION PLAN (DROP)

Page 4

All benefit payments under the Plan shall be made as soon as practicable after application, but no later than April 1 following the later of:

- 1) The calendar year in which the primary member attains age 70½ ,
or
- 2) The calendar year in which the employment is terminated.

If the accumulated balance in an employee's DROP account is more than \$1,000 but less than \$5,000 (or such other amount as provided in the Internal Revenue Code, particularly Section 411(a)(11)(A)), then the Retirement System, in its sole discretion, shall have the option of distributing the former employee's entire account, in the form of a lump sum, to an individual retirement plan.

- K. Death During DROP Participation: If an employee participating in the DROP dies, (1) before full retirement, that is before termination of employment with the County, or (2) during full retirement (that is, after termination of employment with the County but before the DROP account balance has been fully paid), the employee's designated beneficiary(ies) shall receive the remaining balance in the employee's DROP account in the manner in which they elect from the previously mentioned distribution methods (Subsection J). If there is no such beneficiary, the account balance shall be paid in a lump sum to the estate of the employee. Benefits payable from the Macomb County Employees' Retirement System shall be determined as though the employee participating in the DROP had separated from service on the day prior to the employee's date of death.
- L. Disability During DROP Participation: In the event an employee participating in the DROP becomes totally and permanently disabled from further service in the employment of Macomb County, the employee's participation in the DROP shall cease, and the employee shall receive such benefits as if the employee had retired and terminated employment during the participation period.
- M. Internal Revenue Code Compliance: The DROP is intended to operate in accordance with Section 415 and other applicable laws and regulations contained within the Internal Revenue Code of the United States. Any provision of the DROP, or portion thereof, that is in conflict with an

POLICY: DEFERRED RETIREMENT OPTION PLAN (DROP)

Page 5

applicable provision of the Internal Revenue Code of the United States is hereby null and void and of no force and effect.

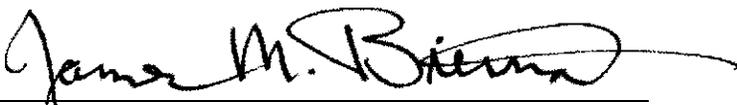

- N. Other Provisions: The Macomb County Employees Retirement System is a defined benefit plan. Should that plan be modified to include a defined contribution plan, this DROP account established is only part of a defined benefit plan. It is intended that this DROP be a "forward" DROP only and contains no DROP "back" provision, which would allow members to retire retroactively.
- O. Annual Leave/Paid Time Off (PTO), Sick Leave and Other Fringe Benefits: Human Resources Policy may provide for the crediting of both annual leave/PTO and sick leave banks for inclusion in determining an employee's FAC for purposes of computing pension benefits.

At the effective date of an employee's participation in the DROP, an employee's annual leave/PTO, sick leave bank and longevity shall be "credited" and/or paid as provided by Human Resources Policy or the Macomb County Employees' Retirement Ordinance.

After the effective date of an employee's participation in the DROP, the employee's annual leave/PTO, sick leave and longevity shall be determined as set forth by Human Resources Policy.

- P. Voting Rights and Retirement Commission Members: At the time an employee elects to participate in the DROP, he/she shall no longer be eligible to vote in any retirement elections nor shall said person be eligible to hold office pursuant to Section 4(e) of the Macomb County Employees' Retirement Ordinance as an elected employee member.

EMPLOYEE ASSISTANCE PROGRAM

The Court is committed to providing a quality workplace for its employees and quality services to its residents. The Court recognizes that at times employees may face a variety of problems that can affect personal happiness, family relationships, job performance, general health and well being. The Employee Assistance Program provides assistance for employees by providing confidential assessment, treatment and referral services. Therefore, it is the Policy of the Court to assist employees through an Employee Assistance Program as follows:

The Court considers its employees as individuals. It also recognizes that a wide range of personal issues not directly associated with one's job function, can have an affect on an employee's attendance, productivity and job performance. This applies whether the problem is one of physical, mental, or emotional distress; alcoholism or drug abuse; financial, marital, or family matters; legal problems; or other concerns.

The Court encourages employees who need assistance with concerns affecting quality of life and/or work to seek and pursue treatment voluntarily. In support of its commitment to this philosophy, the Court and County offer an Employee Assistance Program.

Confidentiality is of the utmost importance for those who utilize the services of the Employee Assistance Program. Information will not be divulged outside of the Employee Assistance Program without the express written permission of the employee and/or dependent.

Since a person's job performance can be affected by the problems of a spouse, children, or other family members, the Employee Assistance Program is available to Court employees and their dependents.

There is no cost to the employee or dependent for the initial assessment or follow-up sessions with a Counselor through the Employee Assistance Program. The employee is responsible for the cost of any referral treatment or services. These costs may be covered by the individual's insurance.

This policy in no way supersedes or interferes with union collective bargaining agreements or work rules. Further, nothing in this statement of Policy is to be interpreted as constituting a waiver of management's right to take disciplinary action or labor's right to contractual grievance procedures.

MILEAGE REIMBURSEMENT

Mileage reimbursement will be made for employees required to use their personal vehicles to perform authorized Court business. Mileage expense is reimbursed at the IRS published rate, which is subject to change. Mileage reimbursement will be paid based on the rate in effect at the time mileage is incurred.

Mileage reimbursement must be authorized in advance by the Elected Official/Department Head or designee. If the employee receives mileage reimbursement from any other source, reimbursement from the Court is not permissible.

Reimbursable mileage is the actual mileage measured from the point of departure to the temporary work site and return. In the event that an employee leaves from their place of residence, mileage should be measured based on the starting point that is in closest proximity to the destination. Reimbursable mileage is not to exceed the actual mileage traveled.

Distances must be accurate as they may be checked during periodic audits.

Requests for mileage reimbursement are to be filed on forms authorized by the Finance Department. Forms must be submitted to the Finance Department within forty-five (45) days after the expense has been incurred.

This policy constitutamaes the maximum amount any employee will receive as reimbursement for mileage. Collective bargaining agreements may institute policies that are more restrictive, but cannot be less restrictive, unless mandated by State or Federal guidelines.

Any employee suffering a work related illness or injury shall immediately notify his/her supervisor. The ill/injured employee shall report to a medical facility approved by the County.

Employees who leave County property during lunch or rest breaks are deemed to be on personal business and said activities do not arise out of or in the scope of their employment. The County's 2/3rds pay supplement shall be made for a period not to exceed twenty-six (26) weeks; however, in no case shall the combination of the supplement payment exceed fifty- two (52) weeks.

If the employee is unable to return to work upon the expiration of the 52nd week, his/her employment shall end. The County will have no further obligation to the former employee, unless the employee qualifies for and receives retirement benefits as provided in the current Macomb County Employees' Retirement System Ordinance.

A regular, full-time employee returning from Workers' Compensation shall be placed in the same classification, provided that said full-time employee has produced medical certification that he/she can return to duty and perform the essential functions of the job with or without reasonable accommodation.

When the visit to a medical treatment center on the day of the injury, the employee is to be considered at work with no time charged to any employee bank. In order to be considered as a paid excused absence, the first day reporting to a medical treatment center must be within thirty (30) days of the injury.

When an employee has follow-up visits for treatment, physical therapy or recheck during their normal work hours, the employee is to account for any absence from work and must charge the absence against sick leave. Compensatory time or Paid Time Off may be used only at the election of the employee.

An employee visiting a medical treatment center during his/her normal work hours must obtain and provide his/her supervisor a statement of attendance showing the check-in time and check-out time at the treatment center.

COMPENSATORY TIME POLICY

The 16th Judicial Circuit, 42nd Judicial District, and Macomb County Probate Courts ("Courts"), in accordance with the Fair Labor Standards Act and consistent with collective bargaining agreements, adopt this procedure regarding the accrual and use of compensatory time ("comp time"). Union employees accrue comp time in the manner provided in their applicable collective bargaining agreements. Non-union non-exempt employees accrue comp time in the manner provided in the Macomb County Human Resource Overtime Policy (attached).

Comp time may be limited, preserved, used or cashed out consistent with the provisions of this procedure, respective collective bargaining agreements, Macomb County Human Resources Policy and the FLSA and its applicable regulations. In particular, the following will apply:

- Employees are eligible for comp time, subject to the pre-approval of the Administrators and/or Directors of Court Divisions.
- All comp time shall be recorded as required by the Administrators.
- Employees may not accumulate more than 40 hours of comp time. Employees who reach their maximum will be informed that they have reached their maximum, and asked to take steps to reduce their accumulated comp time by a specified date.
- Compensatory time may be used as part of a Family Medical Leave Act leave.
- Comp time will be accumulated and charged in 0.10 hour increments.
- Charges may be made to compensatory time banks in partial or full-day increments of work on the written request of the employee. Emergency verbal requests may be honored if followed up, as soon as possible but no later than the next work day, with a confirming written request. Employees who fail to make a written request for compensatory time off will have their respective eligible bank charged

with an absence. Failure to follow standards for requesting time off may subject the employee to discipline.

- While the Courts will attempt to honor reasonable requests to use comp time, sometimes requests may be denied if they unduly interrupt the Courts' operations.

REPORTING IMPROPER SALARY DEDUCTIONS AND OTHER ERRORS IN PAY

The Court intends to pay exempt employees, who are paid on a salary basis, in accordance with the Fair Labor Standards Act, state law, and applicable regulations, and will not make improper deductions. Any employee who feels that he/she has been subject to an improper deduction should notify the Macomb County Human Resources Department, preferably in writing. To the extent your complaint has merit, Human Resources will correct the mistake to promptly reimburse you and take steps to prevent similar improper deductions in the future. Similarly, if employees otherwise suspect they have been paid incorrectly and/or that their time-off benefits are not accurately reflected in applicable documentation, they should see the Macomb County Human Resources Department within five workdays of receiving the paycheck with the suspected error. If, for some reason, the employee is not satisfied with the answer they received, then they should contact the Court Administrator within 30 days of the pay date when the error occurred.

SICK LEAVE AND ACCUMULATED SICK LEAVE PAYOFF

Full-time employees, except for participants in the Deferred Retirement Option Plan (DROP), shall accumulate a Sick Leave bank at the rate of one-half (1/2) day for each fully paid two (2) week pay period of service. Sick Leave shall accumulate only on regular hours paid.

For Sick Leave usage only, the maximum sick leave accumulation that a full-time employee can earn is one hundred and eighty (180) work days.

Full-time employees may utilize available Sick Leave for absences:

1. Due to personal illness or physical incapacity.
2. Necessitated by a contagious disease or condition.
3. Due to illness of a member of the employee's immediate family, which illness requires the employee's personal care and attention. The term "immediate family" as used in this section shall mean parent, current step parent, current spouse, children, current step children, brother, sister, grandparents or grandchildren. It shall also include any person who is normally a member of the employee's household.

The County reserves the right to require an employee to not report to work and use sick leave, if available, if it is determined that the employee's presence at work endangers the health of others in the workplace.

A full-time employee absent for one of the reasons described in this Policy, shall inform his/her immediate supervisor of the absences at least one hour prior to their scheduled time, unless otherwise established; failure to do so may be the cause of denial of Sick Leave with pay for the period of absence.

The employee may be required to produce evidence, in the form of a medical certificate or otherwise, of the adequacy for the reason for his/her absence during the time for which Sick Leave is granted.

POLICY: SICK LEAVE AND ACCUMULATED SICK LEAVE PAYOFF

A full-time employee who is seriously ill for more than five (5) days while on Paid Time Off, may, upon application, have such period of illness charged against his/her Sick Leave accumulation, rather than against his/her Paid Time Off. Notice of such illness must be given immediately. The employee shall submit proof of such illness in the form of a medical certificate.

Sick Leave shall be available for use upon accrual.

If an employee becomes ill or injured and has Sick Leave time available, the employee will be required to have the time not worked charged against Sick Leave.

Employees participating in the DROP Program shall be entitled to Sick Leave as follows:

DROP participants shall be provided with six (6) days of Sick Leave on January 1st each year the employee participates in the DROP.

Up to three (3) unused Sick Leave days, of the six (6), will be paid by the County after the end of each calendar year of DROP participation.

Employees who begin DROP participation at a time other than January 1st, shall receive a pro-rata share of six (6) Sick Leave days for the balance of the calendar year.

After the exhaustion of the six (6) Sick Leave days, an employee may utilize accrued Sick Leave for which the employee was not compensated pursuant to Accumulated Sick Leave Payoff provision below, at the time the employee's DROP participation begins.

There shall be no compensation for any Sick Leave time remaining in the employee's Sick Leave bank upon separation from employment.

ACCUMULATED SICK LEAVE PAYOFF:

Retirement: A full-time employee, who leaves employment because of retirement and is eligible for and receives benefits under the Macomb County Employees' Retirement Ordinance, shall be paid for fifty percent (50%) of a maximum of one hundred twenty-five (125) days of his/her accumulated and unused Sick Leave at the full-time employee's then current rate of pay.

Deferred Retirement: A full-time employee, who leaves employment and elects to defer retirement benefits, shall be paid for fifty percent (50%) of a maximum of one hundred twenty-five (125) days of his/her accumulated and unused Sick Leave

computed on the basis of the full-time employee's salary at termination of employment.

Employees who defer their retirement prior to January 1, 2016 and die prior to the time retirement benefits begin, said accumulated payoff shall be made to the deceased deferred employee's beneficiary designated to receive the accumulated contributions in the employee's savings fund.

Death: In case of death of a ~~regular~~ full-time employee, payment of fifty percent (50%) of his/her accumulated and unused Sick Leave up to one hundred twenty-five (125) days, at the deceased full-time employee's then current rate of pay, shall be made to the deceased employee's beneficiary designated to receive the accumulated contributions in the employee's savings fund.

APPENDIX A:

Model Code of Conduct for Michigan Trial Court Employees

Model Code of Conduct for Michigan Trial Court Employees

All employees in Michigan's courts hold highly visible positions of public trust. We must conduct our business in an environment and in a manner that favorably reflects the ideals consistent with the fundamental values of the Michigan judicial system, as identified by the Michigan Supreme Court. These values include: fairness, accessibility, accountability, effectiveness, responsiveness, and independence. Our actions at all times should uphold and increase the public trust and confidence in the judicial branch, reflect the highest degree of integrity, and demonstrate commitment to each principle embodied in this model code.

**Canon One
IMPROPRIETY OR THE
APPEARANCE OF
IMPROPRIETY**

I will avoid activities that could cause an adverse reflection on my position or the court.

**Canon Two
ABUSE OF POSITION**

I will not use or attempt to use my position to secure unwarranted privileges for myself or others.

**Canon Three
IMPARTIALITY**

I will provide impartial treatment to all persons interacting with the court.

**Canon Four
PROPER USE OF
PUBLIC RESOURCES**

I will use the resources, property, and funds of the court judiciously and solely in accordance with prescribed procedures.

**Canon Five
DUTY TO DISCLOSE**

I will respectfully disclose information required by the court.

**Canon Six
CONFIDENTIALITY &
DISCRETION**

I will not disclose confidential or discretionary information gained through my court employment to any unauthorized person.

Canon Seven
DISCRIMINATION

I will not discriminate on the basis of race, color, religion, national origin, gender, or other protected group.

Canon Eight
POLITICAL ACTIVITY

I am free to participate in political activities during non-working hours as long as such activity does not use or appear to use my position or court in connection with such activities.

Canon Nine
DUTY TO SERVE

I will carry out my responsibilities to litigants, co-workers, and all others interacting with the court in a timely, diligent, and courteous manner.

Canon Ten
COMPETENCY

I will actively pursue educational opportunities to improve my professional knowledge, skills, and abilities in order to provide quality service to the court and the public.

Guidelines

The following guidelines clarify the aforementioned canons:

Canon One IMPROPRIETY OR THE APPEARANCE OF IMPROPRIETY

Court employees are highly visible and should conduct themselves in a way that instills public trust and confidence. Their actions reflect not only on themselves, but the court as well. Improper behavior or the appearance of improper behavior may compromise the integrity of the court. Activities an employee engages in that are improper or may be perceived as improper include:

- Violating federal, state, or local laws and regulations.
- Entering into a contract directly or indirectly for services, supplies, equipment, or realty with the court system.
- Outside employment that may conflict or appear to conflict with the employee's job duties. Seek approval from the appropriate authority before accepting outside employment. **NOTE:** No form of outside employment shall be performed utilizing the resources of the court and shall not require or induce the employee to disclose information acquired in the course of his or her official duties.
- Employees shall abide by the Michigan Supreme Court anti-nepotism policy found in AO 1996-11.

Canon Two ABUSE OF POSITION

The use of the real or apparent power of a position as a court employee to personally benefit the employee or someone else is prohibited. Court employees should never use their position to secure privileges, gifts, special favors, or exemptions. Generally these would be special considerations given by others to the employee specifically because of his or her position as a court employee. The solicitation or acceptance of a gift, favor, or additional compensation can give the impression that something will be done in return for the donor. This contravenes the core ideals of the judiciary.

A court employee shall not attempt to take advantage of his or her access to judges and court files to further any personal interest, or engage in *ex parte* discussions.

Canon Three
IMPARTIALITY

The official actions of an employee should not be affected or appear to be affected by kinship, rank, position, or influence of any party or person involved in the court system. Many times relationships place temptation upon the employee to provide special service or non-service. Differential treatment in any of these situations undermines the integrity of the employee and the judicial system.

Employees need to be able to provide impartial and understandable answers to the public's questions in an efficient manner, without providing legal advice.

Canon Four
PROPER USE OF
PUBLIC RESOURCES

Court employees are stewards of public resources. A court employee shall use the resources, property, and funds judiciously and solely in accordance with prescribed procedure. Pitfalls include temptations such as personal phone calls at the court's expense, personal use of government property (such as office supplies, printers, computers, vehicles, etc.), or the use of court property to assist non-employees as a favor.

Canon Five
DUTY TO DISCLOSE

A court employee should expect coworkers to abide by the canons set out in this code. A court employee shall report violations of this code or attempts to compel one to violate this code.

Court employees must inform the appropriate authority if he or she is arrested in any jurisdiction or involved in any pending legal action at the court of employment. This will allow the court to take the appropriate actions related to the employee's status.

When required by law, rule, or regulation, court employees will dutifully disclose all financial interests and dealings.

Canon Six
CONFIDENTIALITY &
DISCRETION

Although most court records are public, some are nonpublic and cannot be released. Court employees need to understand the types of cases, and documents that are considered confidential. Confidential information should never be disclosed to any unauthorized person for any purpose.

Canon Six (con't.)
**CONFIDENTIALITY &
DISCRETION**

Canon Seven
DISCRIMINATION

Sensitive information acquired by court employees in the course of performing their official duties should never be revealed until it is made a matter of public record. Even when the information becomes public, court employees should exercise a great deal of discretion.

Sometimes breaches of confidentiality do not involve intentional disclosures of official court records. Some are the result of innocent and casual remarks about pending or closed cases, about participants in litigation, or about juries which could give attorneys, litigants, reporters, and the public confidential information. Such remarks can seriously compromise a case or a person's standing in the community. Court staff should discuss cases only for legitimate reasons. Court employees shall treat personal or sensitive information with the same discretion that one would wish others to have if one were involved in a similar case. Examples of confidentiality issues are not limited to cases. Personnel, probation, health records, and information accessed through the Law Enforcement Information Network (LEIN) or the judicial data warehouse (JDW) have confidential limitations. Counter clerks should guard against being overheard when discussing legitimate confidential information.

Essential to the administration of justice is allowing equal access and treatment for all. Every day court employees are called upon to assist people, and it is their responsibility to provide customers and coworkers with courteous service, regardless of the individual's race, religion, gender, national origin, political activities, etc. Discrimination can come in varying forms (words and actions), yet court employees should be aware that no form of discrimination is acceptable and when discovered should be exposed and discouraged.

Additionally, the evaluation of prospective employees should be based on their employable qualities such as job skills, knowledge, and attitude. Likewise, the evaluation of existing employees should be based upon criteria such as job skills, knowledge, and attitude in the performance of their duties. Therefore, no employee will discriminate in favor of or against any employee or applicant for employment based on the individual's race, religion, gender, national origin, political activities, etc.

Canon Eight
POLITICAL ACTIVITY

A court employee's ability to participate in the democratic process by working for a political cause, party, or candidate should not be hampered by his or her employment if done outside of working hours. This participation includes, but is not limited to, holding party membership, holding public office¹, making speeches, and making contributions of time and/or money to candidates, political parties or other groups engaged in political activity. This participation in political activity should not transcend into the workplace by the displaying of political material (i.e., literature, badges, signs or other material advertising a political cause, party or candidate), soliciting signatures for political candidacy, or soliciting or receiving funds for political purposes. In addition no government equipment or resources of any kind are to be used for promoting political activity in the workplace before, during, or after work hours.

Canon Nine
DUTY TO SERVE

For the court to be an effective institution, court employees must reflect a high level of professionalism as they faithfully carry out all assigned duties and enforce the rules/orders provided by the court. Court employees are not to inappropriately destroy, alter, falsify, mutilate, backdate, or fail to make required entries on any court records.

Court employees must recognize that colleagues are also customers, and they should be given the same level of professional consideration as public clients.

Canon Ten
COMPETENCY

When working within the court system, laws and rules of operation are continually changing due to legislation, court rules, administrative orders, caselaw, technology, etc. Therefore, court employees are encouraged to take advantage of educational opportunities that will enhance their skills, advance their understanding, and allow for better service.

Adopted 8/2008

The Michigan Judicial Institute gratefully acknowledges the contributions of the State Court Administrative Office Regional Administrators, the Management Analysts of Trial Court Services, and Court Administrators Dorra Beaudet, David Drain, and Michelle Hill who reviewed draft text and provided valuable feedback throughout the revision of this document.

Amended 8/18/2010

The Code was corrected to omit language on Page 4, Canon Three, which erroneously stated court employees could be authorized to give legal advice.

¹Holding public office is acceptable unless a conflict of interest exists with employment at the court, or it is prohibited by law. An example of a conflict includes serving on the county board of commissioners whose oversight of budget and other policy issues impact the court.

Acknowledgement of Receipt of the Model Code of Conduct

I have read and understand the Model Code of Conduct. As a court employee, I also agree that I will support the Constitution of the United States and the Constitution of the State of Michigan, and that I will faithfully discharge the duties of my office.
