Dear Friends, The following list of online and phone meetings have been set up by A.A. members in Area 33 in response to the COVID-19 pandemic.

Please keep in mind our 12th tradition; ***Anonymity is the spiritual foundation of all our traditions, ever reminding us to place principles before personalities***, and that it is important to maintain our personal anonymity while taking part in these virtual meetings. Due to the fact that we are not in our usual locations, and on-line and virtual meetings are open to all, our risk of exposing our anonymity is higher.

We are trying to keep this list as up to date as possible for the Area 33 community. We will be happy to add your meeting information to this page as it becomes available. If your group is holding a meeting using Zoom, GoogleHangouts, Free Conference Call, or any other conference call app, please email: area33webcochair@aa-semi.org with your information if you would like it added here.

Area 33 does not necessarily endorse any specific link or meeting information supplied here.

Stay Sober, Stay Safe and Stay Healthy.

For Zoom Meetings: Download and use the App for [iPhones](#) or [Android Phones](#). Due to increased use, Zoom is limiting call-in so try and use the app or website. Microphone/headphones suggested. Most Zoom meetings are 40 min long. You can alter your display name to protect your anonymity. **To call into a Zoom meeting, dial +1 312 626 6799 US (Chicago) and enter the Meeting ID# when prompted.**
