Macomb County Circuit Court eFiling Survey

The Macomb County Circuit Court has released a customer satisfaction survey for eFiling users. An email that contains the link to the survey will be sent to attorneys who have registered their email addresses with the Court. In addition the survey link is available on the Court's eFiling webpage located at <http://circuitcourt.macombgov.org/CircuitCourt-efiling>.

The Court is requesting feedback about eFiling to help improve and upgrade the system. The survey should take about 5 minutes to complete and will be available for three weeks. The Court requests recipients share this link with personnel responsible for eFiling in their respective Law Firms.
