Key Safety Systems to host talent mixer to fill 50 new jobs

The Macomb County Department of Planning & Economic Development and the city of Sterling Heights are partnering with Key Safety Systems (KSS) to host a talent mixer to attract talent for the company's 50 newly-created jobs.

KSS, a manufacturer of advanced engineered safety products for global automotive and nonautomotive markets, is investing \$1.5 million to expand their Sterling Heights headquarters. Recruiters are seeking candidates for senior engineer, program manager and commodity buyer positions. The talent mixer will be an opportunity for those looking to find a career at KSS to meet current employees and to learn more about the company and available jobs.

The event will take place from 4:30 p.m. to 6:30 p.m. Thursday, Dec. 15 at the Velocity Collaboration Center, 6633 18 Mile Road, Sterling Heights, 48314. Advance registration is required and can be completed by emailing a resume to techjobs@keysafetyinc.com with "Talent Mixer" typed in the subject line of the email. To view open positions, visit www.keysafetyinc.com/careers.

About KSS

Key Safety Systems (KSS) is a global leader in mobility safety through the system integration and performance of safety-critical components to the automotive and nonautomotive markets serving the active safety, passive safety and specialty-product sectors. Through highly-specialized design, development and manufacturing, KSS's technology is featured in more than 300 vehicle models produced by over 60 well-diversified customers worldwide. Since commencing business as a United States startup, serving Detroit automakers in 1916, KSS continues today with an entrepreneurial and pioneering spirit. KSS is headquartered in Sterling Heights, Michigan, with a global network of approximately 13,000 employees in 32 sales, engineering and manufacturing facilities. The company has five main technical centers located in the key regions of the Americas, Europe and Asia. It is an independently-operated subsidiary of Ningbo Joyson Electronic Corp. (SHA: 600699) (Joyson Electronics). For further information about KSS, visit www.keysafetyinc.com.
