

Do you have concerns about the HPV vaccine?

Participate in one of our parent focus groups

We'd like to learn more about the opinions of parents/guardians who have been offered the HPV vaccine, but have either refused or delayed the HPV vaccine due to concerns about the vaccine.

You are eligible to participate if...

- You identify yourself as a parent /guardian or healthcare decision maker of a child 11-17 years of age and you have 1) refused the HPV vaccine OR 2) delayed the HPV vaccine due to concerns about the vaccine such as, but not limited to,
 - ⇒ vaccine safety,
 - ⇒ the impact of vaccination on a child's sexual behavior,
 - ⇒ uncertainty about how necessary the vaccine is to one's health.
- You are a resident of Wayne, Oakland, Macomb, Genesee, or Monroe County.
- You are 21 years of age or older.

Upon completion of the focus group discussion, you will receive a \$40 gift card to thank you for your time.
