

DEPENDENT CARE REIMBURSEMENT ACCOUNTS (DCRAS):

A tax-saving solution for
dependent care.

See back page for additional information on your plan.

Welcome!

Your dependent care reimbursement account (DCRA) has successfully been opened at HealthEquity. Your DCRA can be used to help pay for eligible dependent care expenses and provides the following savings:

- DCRA funds deducted from payroll are pre-tax
- Funds used for eligible dependent care expenses are not taxed as income

As a reminder, to qualify for reimbursement, the dependent care must be essential for you and a spouse to work, look for work, or attend school full-time.

*Must activate account via HealthEquity website in order to utilize the HealthEquity mobile app.

DCRA details

HOW IT WORKS:

- 1 PAY DEPENDENT CARE COSTS OUT-OF-POCKET**
Be sure to obtain an itemized receipt for services provided.
- 2 SUBMIT CLAIM FOR REIMBURSEMENT**
Reimbursement forms can be accessed through the HealthEquity member portal. Recurring claims can be scheduled for the duration of the plan year.

REMEMBER: You can only access funds for reimbursement once they have been deducted through payroll and deposited in your account.

USE IT, OR LOSE IT:

DCRA funds do not roll over from year to year. You should use all of your DCRA dollars within the plan year or they may be forfeited. Some plans may allow for a grace period to use remaining funds.
