The Macomb County Employee's 2022 Benefit Open Enrollment began on Monday, October 18 and runs through November 5th.

Just a quick reminder that it is important to log in and update your enrollments for 2022. If you have not already enrolled or have not completed your Open Enrollment please click the login link below. If you have already enrolled you have until November 5th to make any changes.

Things to remember for 2022 Open Enrollment

- If you would like to enroll in Flexible Spending or Dependent Care for 2022 you MUST complete that portion of Open Enrollment in order to update your contributions. If you do not make an election during Open Enrollment, you will not be eligible for those benefits.
- If you do not plan to make any changes for 2022 you do not need to take any action, your current benefits (with exception to the flexible spending and dependent care) will remain in effect.

In order to keep our employees safe during Open Enrollment we have made arrangements for you to schedule an appointment to speak remotely with a Benefit Counselor from TMR & Associates. The appointments can be made any day of the week from 9 am - 3:30 pm by accessing the link below:

<http://www.signupgenius.com/go/macombcounty>

You may also call (313) 963-1135 for assistance with scheduling an appointment.

Once you have added your information to the sign-up you will receive a reminder 1 day prior to your appointment, and will be able to make any changes if needed. If no changes are necessary, you will receive a call from a TMR Benefit Counselor on the date/time that you had selected.

If you feel comfortable going into Employee Navigator and making changes or reviewing your elections by yourself, here is the link to do that:
