Macomb County Prosecutor Gives Vital information to Seniors on SCAMS at Upcoming Expos

Mount Clemens, MI - Macomb County Prosecutor Peter J. Lucido wants to protect and safeguard seniors from scams and arm them with the information they need to avoid becoming a victim.

Prosecutor Lucido created an informational booklet called "S.C.A.M.S. Stopping Crimes Against Macomb Seniors," to promote safety and take the initiative on helping senior citizens of Macomb County. In it you will find information on scams that target seniors including identity theft, telemarketing fraud, internet fraud, home improvement fraud and caregiver fraud. Prosecutor Lucido wants to help our aging community members by providing essential information and clarity to those who need it by going out in the community and giving these free booklets to seniors.
