### **BOC Accepting Applications for Community Mental Health Board**

MOUNT CLEMENS, Mich. — The Macomb County Board of Commissioners is seeking four applicants to serve on the Macomb County Community Mental Health Board (CMH) for a three year term, expiring on March 31, 2022.

The four current terms expire on March 31, 2019.

Those interested in applying should have an awareness of the need for the provision of mental health services in Macomb County, knowledge of the evolving Affordable Health Care Act and basic understanding of Medicaid regulations in the State of Michigan as well as the Mental Health Code in the area of provision of services.

The CMH Board oversees Macomb County's Community Mental Health Services Agency. In broad terms, the Community Mental Health Services Board is charged with providing a comprehensive array of mental health services appropriate to needs of the primary consumers located within its service area, regardless of the ability to pay for the service. By statute, the members are representative of providers of mental health services, recipients or consumers of mental health services, agencies and occupations having a working involvement with mental health services and the general public.

Applicants seeking a position on the CMH Board must be 18 years of age or older and a resident of Macomb County and cannot be employed by the Community Mental Health Program (CMHP), nor be a party to a contract, or administer or benefit financially from a contract with CMHP. In addition, applicants may not serve in a policy making position with an agency under contract with CMHP.

Applications for the position can be found by visiting [MacombBoC.com](http://MacombBoC.com) and clicking "Boards & Commissions" in the far left column.

Applicants should expect to attend an upcoming Internal Services Committee meeting for a public interview. Appointments will take place at a Full Board meeting at a later date.
