RE: 2013 Property Tax Apportionment and Tax Levy Report

The 2013 Apportionment Report is hereby submitted for your consideration and approval. The report presents an in-depth analysis of millage rates and property taxes levied by the various taxing authorities in the County. The General Property Tax Law requires the County Board of Commissioners to approve the apportionment report at its regular session in October of each year and, upon approval, direct the various taxing authorities in the County to levy the millage rates included in the report against all taxable property located within their boundaries.

The apportionments and millages included in the report give effect to:

1. Application of and compliance with Section 31 Article 9 of the State Constitution of 1963 as required by Section 211.34d of the Michigan Compiled Laws (Headlee Amendment).
2. Public Act 206 of 1893, Section 31 (1), (MCLA 211.34 (1)), as amended, requiring rollback tax rates when State Tax Commission increases equalized value of the County.
3. Public Act 213 of 1981, which amends Section 211.34 so that a Township or City would be restricted to an operating levy based on local assessed valuation rather than the full levy based on State Equalized Valuation (Truth in Assessing Act).
4. Public Act 5 of 1982, which added Section 211.24e, requiring counties, cities, villages, school districts, townships, etc., that levied more than one mill for operating purposes to hold an advertised public hearing for the purpose of increasing property taxes (Truth in Taxation Act).
5. Public Act 312 of 1993, which amends MCLA 380-1211 so that school districts shall levy not more than 18 mills for school operating purposes or the number of mills levied in 1993 for school operating purposes, whichever is less. Homestead property is exempt from the mills levied under this subsection.
6. Total authorized taxes are shown even though a portion of said taxes may be spread at a time other than the winter levy.
