## Macomb County Health Department Community Health Assessment

## **VISION STATEMENT**

A diverse, caring and engaged community where everyone works together to achieve optimum health.

## **COMMUNITY VALUES**

**Equity**: We value a community where everyone has a fair chance to lead a healthy life.

**Cultural Acceptance:** We value a community that promotes respect and diversity to all.

**Knowledge:** We value a community where residents have the knowledge and education to achieve and maintain healthy lifestyles.

**Shared Responsibility:** We value a community where residents take responsibility for their health and where health leaders provide support.

**Trust and Respect**: We value a community where trust and respect flourish.

**Wellness:** We value a community that promotes healthy behaviors to reduce disease and promote overall health.
