myHealthButton®

MDHHS
Michigan Department of
Health & Human Services
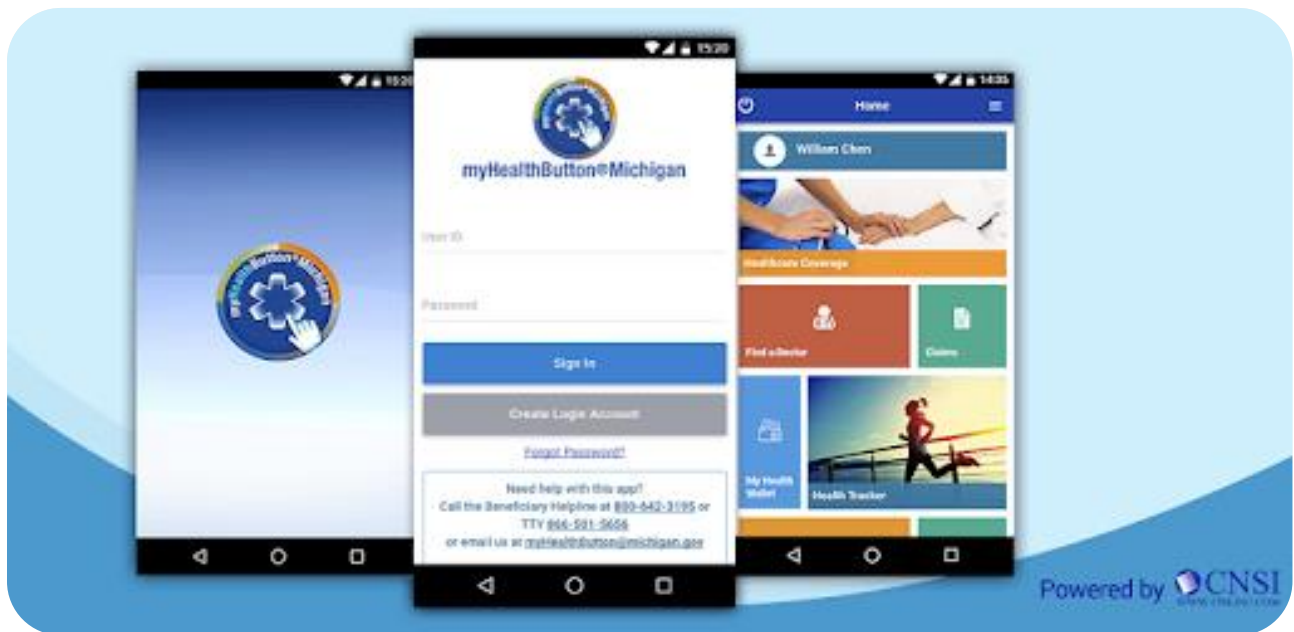

CSHCS access is available through the "myHealthButton" app for your smart phone. The mobile myHealthButton application is a one stop shop for your Michigan Medicaid, **Children's Special Health Care Services (CSHCS)**, and MIChild coverage information. You can view real time information such as current CSHCS diagnoses, approved providers, renewal dates, and view your mihealth card; all at your fingertips. You can also now access your payment agreement directly through the app. It's fast and simple!

Details on how to register for the app and the information you will need to register are on the reverse side of this sheet.

For questions or assistance registering, contact us at (586) 466-6855.
