## Mark A. Hackel

Mark F. Deldin  
Deputy County Executive

**Name of Board/Commission:** Community Corrections Advisory Board

**Appointing Authority:** Executive (non-statutory members)

**Origin:** PA 511 (1988)

### Function

Macomb County Community Corrections is a community based punishment and rehabilitative program aimed at relieving prison and jail overcrowding through Court-approved sentencing alternatives. Non-violent offenders are placed into community sanctions, rather than in jail or prison, to free-up corrections space for more serious offenders. Rehabilitative and monitoring options include substance abuse inpatient and outpatient treatment, daily reporting services, urine testing, community service work, job training assistance, cognitive restructuring and pre-trial release supervision.

If a county wishes to apply for funding and other assistance under the Department of Corrections – Community Corrections Act, then MCL §791.406 requires the creation of this Advisory Board.

There is no statutorily mandated compensation for these Board members and no payments are being made at this time.
