Macomb County Federal Aid Committee (FAC)
Winter Meeting
Wednesday, January 28, 2026, 2 p.m. – 4 p.m.
Senior Auditorium - Suite 6 - Verkuilen Building
21885 Dunham, Clinton Township

Agenda

1. Call to order – Scott Wanagat, MCDR Highway Engineer, FAC Chair

2. Welcome message – Bryan Santo, MCDR Director

3. FAC member introductions – Scott Wanagat

4. Old Business - Approval of September 24, 2025 Fall Meeting Minutes (see Attachment A) – (***motion required***)

5. SEMCOG update – Michele Fedorowicz/Steve Brudzinski
    a. General Update
    b. FY 2026-29 TIP Update

6. MDOT Local Agency Program Update – Bruce Kadzban, LAP Section Manager
    a. MDOT LAP/Federal update
    b. New local funding package

7. Macomb County FAC – TIP Subcommittee update – Scott Wanagat
    a. FY 2026-29 Macomb County FAC Program (see Attachment B)
    b. FY 26 and 27 Key Project Development Milestones (see Attachments C and C-1)
    c. Alternate project list (see Attachment D)
    d. New Business – Approval of 'Macomb County FAC Program Delivery Strategy' (See Attachment E) – (***motion required***)
    e. Macomb County FAC website and CORE update – Eric Dimoff
    f. 2050 Macomb County FAC RTP List (see Attachment F)

8. Public Comment

9. Upcoming Macomb County FAC meetings*
    a. Summer meeting – Wednesday, June 24, 2026
    b. Fall meeting – (tentative) – Wednesday, September 30, 2026

10. Adjourn – (***motion required***)

***All meetings are held from 2-4 p.m. at Senior Auditorium, Suite 6, Verkuilen Building, 21885 Dunham, Clinton Township unless otherwise noted**

MEETING SUMMARY

Meeting: Macomb County – Federal Aid Committee (FAC) Fall Meeting

Date & Time: September 24, 2025, 2:00 PM – 4:00 PM

Location: Macomb County Verkuilen Building
Senior Auditorium
21885 Dunham Street, Clinton Township

Invitees: See attached Meeting Attendees list

DRAFT

1. **Call to Order by the Chair –** Scott Wanagat, MCDR Highway Engineer
    a. Scott Wanagat, chair, called the meeting to order at 2:04PM. He thanked everyone for coming.

1. **Introductions –** Scott Wanagat
    a. Introductions were made around the room. See attendance roster.

2. **Old Business – Approval of July 29, 2025, Summer FAC Meeting Minutes**
    a. Motion: Tina Gapshes
    b. Second: Crystal Kozak
    c. There was no discussion and no opposition.
    d. The motion carries.

2. **New Business –** Scott Wanagat
    a. **FY 2026 and FY 2027 Project Timelines**
        i. Any updates or changes to key project dates shall be sent to Irvin Wyche and Scott Wanagat.
    b. **Amendment to JN 219058, Little Mack Ave in Roseville, to include a Road Diet**
        i. Following traffic counts and studies, the City of Roseville is amending the scope of their Little Mack Avenue project to include a road diet. There have not been public objections, the GI review is finished, and environmental clearance is on-going. No changes are being made to the budget and the schedule will be adjusted as needed, but the project is still planned to let in FY 26.
        ii. Motion: Scott Lockwood
        iii. Second: Mitch O'Connor
        iv. There was no discussion; there were no oppositions.
        v. Motion carries.

3. **SEMCOG Update** – Steve Brudzinski
    a. Projects that were submitted for the 2050 RTP have been processed and are expected to go to the executive committee for final approval.
    b. The next TIP amendment approval will be in December.
    c. Steve discussed the potential of the federal and state governments potentially shutting down if a budget is not passed. He reiterated there are trust fund accounts that may be used to fund some work from the federal government. If the state shuts down, work will likely pause until a

budget is passed and there will be no new obligations for projects.

d. FEMIS is not available until October 9, 2025, regardless of the shutdowns and no new obligations can be done until it is back up.
e. The 2026-2029 TIP has been approved by FHWA.

4. **MDOT Update –** Bruce Kadzban
   - **a.** Bruce Kadzban provided an update for the state. Due to the budget conversations at the federal level, MDOT has not received any funding for FY 26. This is typical, as funds usually are distributed in October or November. All projects that could be obligated thus far have been obligated.
   - **b.** There was approximately $182M in total for the August redistribution. Approximately $42M was available for carryover into FY 26.
   - **c.** Projects are currently being reviewed for FY 26. Over 200 projects have cleared the environmental screening process.
   - **d.** All documents available online must be compliant with the Americans with Disabilities Act (ADA). MDOT's goal is to have them re-uploaded in April 2026. If a document is not available online, MDOT staff can provide it.
     i. Any unique provisions will need to be updated and compliant, as well.
   - **e.** The federal aid guide is being updated entirely.
   - **f.** Ryan Doyle expressed the importance that projects are programmed in JobNet according to how the project is being designed and to ensure finances are correct prior to submittal.
   - **g.** If the state government does shut down, guidance will be sent out regarding any active projects; a stop order could be possible.
   - **h.** All FY 25 projects that had a state earmark should be under contract.
   - **i.** Additional questions can be shared with Bruce.

5. **Q&A for FAC Members**
   a. None.

6. **Public Comment**
   a. An attendee from Harrison Township expressed concern over the intersection at Bridgeview and South River Road. They requested a sign that states "cross traffic does not stop". Colleen Hill-Stramsak spoke with the individual after the meeting.

7. **Next FAC Meeting**
   - **a.** Winter Meeting-Wednesday, January 28, 2026, 2-4PM at the Verkuilen Building, 21885 Dunham, Clinton Township

8. **Additional Items**
   - **a.** None.

9. **Adjourn**
   a. Motion: Irvin Wyche
   b. Second: Mary Bednar
   c. The meeting was adjourned at 3:05PM.

Please Note:
- (+) For projects proposed to be advertised and bid early in the fiscal year, when federal funds may not yet be available, Local Agencies may consider using the Advance Construct funding option for projects in these lettings.
- (**) Date adjusted for holiday.
- LAP cannot guarantee that projects submitted late in the fiscal year will be obligated before the end of the current fiscal year. This may result in loss of funds for that fiscal year.
- Dates shown for Section 106 and NEPA document submittal are generally 4 months before Grade Inspection (GI) submittal. However LAP recommends NEPA submittal 2-6 months before GI submittal.
- All bridge projects (bridge replacement and major rehabilitation regardless of funding) require a TS&L submittal.
- For projects that may require an Environmental Assessment (EA), submit the EA document to the MDOT LAP-ENVIRONMENTAL UNIT at least one year prior to submitting the GI documents.
- For projects which FHWA has identified for Risk Based Project Involvement, submit GI documents and Complete Biddable Package to LAP at least two weeks prior to the dates shown.
- See the attached guidance document, "Local Agency Program (LAP) Project Planning Guidance."

Recommended Alternate Projects for FY 26-29 TIP Update

Total Score	Submitting Agency	Project Name	Limits	Work Type	Total Estimated Construction Cost
40	Sterling Heights	17 Mile Road	Ryan Road to Mound Road	Rehab	$ 2,900,000
37	Eastpointe	9 Mile Road	Kelly Road to I-94	Recon	$ 2,612,705
36	Shelby Township	25 Mile Road	Dequindre Road to Mound Road	Rehab	$ 3,840,000
35	Fraser	14 Mile Road	Utica Road to Kelly Road	Rehab	$ 4,602,070
34	Clinton Township	15 Mile Road & Klix Road	Gratiot Avenue to Shook Road	Rehab	$ 4,331,000
34	Clinton Township	Moravian Drive	Cass Avenue to Harrington Street	Rehab	$ 2,970,000

MACOMB COUNTY FAC PROGRAM DELIVERY STRATEGY

A. Background: With the new 4-Year TIP now approved for FY 26-29, the TIP Subcommittee is recommending adopting an intentional strategy - consisting of some best practices for the FAC and for members to consider - to: (a) ensure no approved funding for FAC projects is lost each year; and (b) position the FAC to utilize additional funding that may become available, particularly towards the end of each fiscal year, when additional federal obligation authority is potentially made available through the MDOT LAP.

B. Identified Best Practices to utilize all available funding:

   a. Be proactive in the planning of all projects – program all projects to be let in the first two quarters of the fiscal year.

   b. Be proactive in the development of all projects – meet all key milestone dates as identified in the LAP Project Development Guide.

   c. Be proactive in the management of all projects – identify and mitigate key risks during the scoping and planning phase (budget, right-of-way, utility coordination, permitting issues, constructability issues, etc.)

   d. Be proactive in positioning the FAC for additional funding opportunities (in cooperation and coordination with the FAC and any local funding partners and stakeholders):

      1. Identify programmed project(s) in any given fiscal year that could be accelerated to an earlier fiscal year for potential turn-in.

      2. Proactively plan and develop prioritized unfunded projects (for the FY 26-29 TIP Cycle, the FAC has approved a list of 'Alternate Projects' – see Attachment D) that could be made ready for programming in any given year due to additional funding or 'backfill' opportunities. Projects on this list would be eligible for 'first come, first served' programming opportunity on a best-fit basis as determined by the TIP Subcommittee on the basis of scoring, readiness, funding availability, geographical balance, etc.

DRAFT

Vision 2050 Regional Transportation Plan Project List
Macomb County

RTP No.	Project Type	Year(s)	FAC, MDOT, Transit Age	County	Lead Agency	Project Name	Limits	Proposed Work	Project Total	RTP Goal
